Second Class Mail Registration No. 1016 .35t

Two new signs were put up at the Highway 62 north and south entrances to the village last Friday. The sign depicts a blue heron and loon, two birds common to the area. The slogan states "The Heart of Hastings County". The word "Madoc" was done in a glass bead paint so when carlights flash on it, it illuminates. The

two signs were created by Niki Nikiforuk and commissioned by the Madoc Business Association. In the photo from left to right, Niki Nikiforuk, MBA members Barb Bouchard, Mary Jane Henderson, MBA President Richard Chapman, and painter Kathy Donohue.

## Council supports enhanced 911 system

by Jeff Wilson

Madoc village council support the implementation of the enhanced 911 emergency system with billing to be performed by Bell Canada.

Council endorsed the 911 enhanced system one of a couple of systems studied in a feasibility study for implementation in the City of Belleville, City of Trenton, Hastings County, Prince Edward County, as well as Lennox and Addington Counties. The report was presented to Hastings County Council during its regular meeting in June.

The report prepared by Belleville Police Sgt. Roy stated the enhanced system, when called, shows the number from which the call is coming from and the location. This is opposed to the basic system which does not list the location and telephone number of the caller. Sgt. Roy said the system is preferred, "because there are many large rural areas, several urban municipalities, several telephone-political overlaps, several duplications of street names and addresses."

The report also stated the enhanced system would "minimize possibility for error, speed up transfer of Cont'd on page 8"

## News Briefs

Door-to-door sales bylaw helps residents

Madoc resident can get rid of those pesky door to door salesmen in most cases with just one question. Reeve Tom Deline told council those bothersome salesmen need a permit from the village to sell anything in the area.

He said the transient sales bylaw was implemented to protect the local residents.

So with the question "Do you have a village permit to sell," residents can send those salesmen packing.

Village to request for co-op student

The Village of Madoc would like to have a co-op student from Centre Hastings Secondary School to work on special projects, as well as regular office duties, Clerk/Treasurer Doug Parks said.

He said he would ask for a student in the business area of study when school resumes in September.

The village has had co-op students from the high school work for the municipality in previous years, Parks said.

## Bell spends \$63,000 to update equipment for Madoc customers

Service improvements, including the installation of new equipment, accounted for \$63,000 in capital expenditures last year for Bell Canada's 2,040 customers in Madoc.

Bill Vankoughnet, Member of Parliament for Hastings-Frontenac-Lennox and Addington, was pleased to make the announcement.

Projects included installation in Madoc of an advanced digital electronic unit to increase cable capacity for area growth. The expenditures were part of a network-wide total of \$2.3 billion spent by Bell Canada on capital

improvements in 1990. About \$1.5 billion of this amount was spent in Ontario.

Bell spending in Madoc last year also included \$38,500 in municipal taxes, of which realty tax accounted for \$3,000; business tax for \$900 and gross receipts tax for \$34,600.

Ontario's gross receipts tax is set at five per cent of all telecommunications revenue from Bell operations here in the preceding year. In 1990 this came to \$31.83 per Bell rental phone. The amount apportioned to each municipality is calculated by multiplying this figure by the number of Bell

rental phones in the municipality.

Bell's local payroll expenses in 1990 totalled \$916,100 for the 20 employees serving customers in the Madoc area.

This year the company's capital spending in Madoc is expected to reach \$770,000. Projects planned or underway include:

\* the introduction in late 1991 of toll-free calling between Madoc and Belleville; and

\* installation of a new digital remote switching centre, replacing analogue switching technology to significantly

## letters to the EDITOR...

Dear Editor:

On behalf of the Madoc Minor Hockey Mother's Auxiliary, I wish to extend our sincere appreciation to all the people who helped and participated in our first annual three-pitch tournament.

Although the heat was difficult to bear, every team put forth their best effort and brought enthusiasm and good spirit to each game. Congratulations to the "Hallum" team from Belleville who took top honors by winning the "A" Championship final, and the "Bancroft" team for taking the consolation prize in the "B" Championship game. Both teams donated \$50 of their prize money back to Minor Hockey.

During the weekend tournament, three individuals devoted most of their time to help each game run efficiently. Thank you to Leslie Chapman, official scorekeeper; David McInroy, announcer and Harold Francis, scoreboard keeper.

The dance following the

games on Saturday night proved to be a success and a good time. We wish to acknowledge, at this time, all the people who volunteered to sell bar and admission tickets and to demonstrate their bartending skills. Your efforts were greatly appreciated.

And finally, a very special "Thank You" to Jerry Chapman and Rodney Rollins who organized and set up the format of the games and took care of many details pertaining to a three day tournament and dance.

Without their hard work and guidance it would have impossible to get this tournament off the ground.

Each individual who participated in the tournament, attended the dance or volunteered their time to help, can be proud to know they did their part to support Minor Hockey in Madoc.

Katherine Leaver  
President, Madoc Minor Hockey Mother's Auxiliary  
RR1 Madoc

## Vandalism increase reported in Madoc

Police have noticed an increase in vandalism complaints in the Madoc detachment area. Although the police are called to investigate these complaints, vandalism is a community problem best solved with the help of community residents.

The police point out that unless members of the public are willing to assist the police by supplying witness statements and eventually going to court, the problem of vandalism will not be solved. Officers of the Madoc OPP detachment ask for your co-operation in putting an end to vandalism in your community.

Madoc OPP are also investigating vandalism to the change rooms recently at the Marmora Beach. Screens were cut out of three windows and paper towels strewn about the floor in the men's washroom. Constable Brad Collins is the investigating officer.

On July 8th, at approximately 5:30 p.m., Madoc OPP

received a report that a young female ran across County Road 3 into the side of a passing vehicle. As a result of the investigation by Constable Bill Terc, the young person was located. She had not been injured in the mishap. However, officers remind all pedestrians of the need to be careful around roadways and vehicular traffic.

There has also been an increase reported in the number of intrusion alarms requiring police response. It has been noticed that most of these are false alarms. When this happens, a two-officer car

must be dispatched to handle the call, which effectively puts the vehicle out of service for the duration of that call.

Madoc OPP officers request that owners of these alarms ensure their equipment is in good working condition so that false alarms are not as a result of equipment failure.

It was also announced that keyholders responding to an alarm in their premises should not enter the building until police arrive. Police warn that keyholders should not be lulled into a false sense of security because the next alarm might not be false.

## Program could be beneficial to village

by Jeff Wilson

Representatives from Madoc village council will be attending an information session of the Community Futures program on August 13

in Deloro to determine the village's eligibility.

Reeve Tom Deline feels the program could pump some life into the village economy.

"I figure it will allow us to tap into some federal money that we are now not getting in the Centre Hastings area, also the support services of the group which would help people in establishing their own small businesses or working with them in that element, which we don't have right in the Centre Hastings area now," Deline said.

The Community Futures program is one of six programs under the Canadian Job Strategy was created by the federal government in an attempt to revitalize communities devastated by layoffs in

*Cont'd on page 7*

## Softball tournament fund-raiser successful

The three-pitch softball tournament held by the Minor Hockey Mother's Auxiliary on the July 19-21 was quite successful.

Kathy Leaver, president of the Mother's Auxiliary said the tournament, along with the dance held on the Saturday evening raised \$2,000 for the

Madoc Minor Hockey Association.

The money will go towards the purchase of equipment for the league, Leaver said.

The tournament, the first ever sponsored by Mother's Auxiliary was successful enough that it will held again next year, Leaver said.

## OPP looking for suspect in liquor theft

The Madoc detachment of the Ontario Provincial Police (O.P.P.) are requesting the assistance of the public in attempt to find the people responsible for a quantity of liquor stolen from the Madoc Arena on July 21.

The theft occurred in the early morning hours during a dance sponsored by the Madoc Minor Hockey Association in conjunction with a softball tournament fundraiser.

Police believe someone attending the dance removed

bottles which were stored outside the boards adjacent to where the bar was set up. The theft occurred between 1:10 and 1:30 a.m. when the lights were turned out and the bar closed.

The suspect removed three open cases from the exit door at the southeast corner of the arena.

Anyone who might have information concerning this theft please contact Constable Gordon Leaver 473-4234. All calls will be kept confidential.

## Madoc needs jazzy slogan

by Peter Sutton

Madoc is definitely a great little town with a lot of potential for growth in the near future. Unfortunately some people have a lot of time to complain about what Madoc doesn't have, where improvements could be made etc.

So here's a chance for you readers to voice your opinion. Write us a short letter, voicing your opinions and we will print the most interesting opinions in upcoming editions of the Review.

A big pat on the back is well deserved by the Madoc Fair Board for all their efforts in making the 1991 Mid-Summer Carnival a great success. It's nice to see that in only a few short years, the carnival has increased in size and popularity. Keep up the great work gang!

"Marvelous Madoc?" While I was walking downtown last week I noticed a t-shirt with "Fabulous Fredericton" on it being worn by a tourist visiting the area. Why can't Madoc have a jazzy little slogan like that? Something like Marvelous Madoc, Majestic Madoc, you know? Anybody have some suggestions? If so drop us a line and we'll print the most interesting M & M's in upcoming issues.

Remember all letters to the Review must be signed, however if requested your name will not be printed.

Enjoy the summer sun and we'll talk to you next week.

# Students to do Master's thesis on local female writer

by Jeff Wilson

Two Waterloo University English students are looking for a little information.

The two women, Dorinda Dodwell and Sharon Newmaster are looking to do their Masters thesis on a local resident Jenny O'Hara Pincock.

The women chose a poem entitled "Hidden Springs" also the title of one of Pincock's two published works. Her other book is entitled "Trials of Truth".

The poem was found by the students in the Doris Lewis rare book room. The collection was found by Waterloo professor Stan McMullin. Newmaster said she had had McMullin as a professor and he had told her about the collection.

The students said they chose this particular writer's work so the public can rediscover lost women writers.

"We want to get Jenny's voice out into the world again," Dodwell said. She explained that many prominent female writers have been dropped from the history of the times.

In their study of the poem the students said they came across a few interesting points. The poem talks about the family like relationship that existed between the natives and the other people living in the area. Newmaster said that

Sharon Newmaster (left) and Dorinda Dodwell, two English students from Waterloo University were in town last week looking for information on deceased resident and writer

Jenny O'Hara Pincock. The women hope to do their Master's thesis on a poem written by Mrs. Pincock.

## Tax free idea very successful

by Jeff Wilson

The Stedman's tax free sales promotion was termed as "very, very successful" by owner Willard Wasson.

The store followed the lead of towns like Blenheim and Sparta, and waived the eight per cent provincial sales tax as well as the seven per cent Goods and Services tax as part

### NOTICE TO CREDITORS AND OTHERS

CREDITORS and others having claims against the Estate of Ethel Margaret Griffin, late of the Village of Madoc, in the County of Hastings, who died at the City of Belleville, in the County of Hastings, on the 26th day of July, 1991, are notified to send to the undersigned solicitor for the Executrix, Noreen Purdy, before the 27th day of August, 1991 particulars of their claim in writing after which last date she will distribute the Estate amongst the persons entitled thereto, having regard only to the claims of which she then had notice and she shall not be liable for any part of the Estate so distributed to any person of whose claim she had no notice at the time of such distribution.

DATED at Madoc, Ontario this 29th day of July, 1991.

**John W. Bailey**  
Barrister and Solicitor  
91 St. Lawrence St. East  
P.O. Box 670  
Madoc, Ontario K0K 2K0  
Solicitor for the Executrix,  
Noreen Purdy

of a sales promotion on July 16-20.

"The results are in the cash register," Wasson said. "It was very, very successful."

He said he experienced a 20 per cent increase in sales for the five day tax free period.

Wasson said he had a choice between marking down his summer merchandise by one-third or waive the taxes. He said he decided on the taxes.

"In my mind, people would rather have 15 per cent off, instead of 33 per cent off," he said.

After the successful first try Wasson said he would like to hold another tax free sale, but added he would like to see the entire village involved the next time around.

### Boyd-Allen

St. Luke's in the Garden, London Ont. was the setting on Jan. 12, 1991 for the wedding of Susey Allen and Robert John Boyd. Rev. Wideman officiated.

Susen is the daughter of Robert (Bob) and Jean Allen. Robert is the son of John and Anne Boyd, all of London.

Given in marriage by her father, the bride was attended by her sister, Janet Smith, as matron of honour. Attendants were Michelle Allen, bride's sister; Petra Becker, Carol Boyd, groom's sister; and Lindsay Smith, bride's niece; all of London area.

Best man was Brian Richards, York Region. Attendants were Gary Tarrant, Madoc; Chris Sideris, London; Presley Nickle, Madoc; and Bradley Boyd, Etobicoke.

After their wedding trip to Antigua, Susen and Robert are now living in London.

have a real concern for the environment, a concern lost through time, but recently regained in the last few years.

The students said they would like to have their thesis completed by December of this year. They currently are looking

for any biographical material on Jenny O'Hara Pincock. Anyone wishing to assist the students can write to them care of Dorinda Dodwell, 144 Weber St. E., Kitchener, Ontario N2H 1C9.

**Bell spends \$63,000 to update equipment for Madoc customers**

*Cont'd from page 1*  
improve service.

Bell plans to spend a total of \$2.2 billion this year throughout its territory. Of this amount, roughly \$1.4 billion will go towards improving service and equipment for Ontario customers. Over the next five years, the company will spend about \$1.1 billion to deliver service to customers and meet new customer demands. The conversion of the Bell network to digital technology will alone cost some \$1.6 billion.

"This technology has opened the door to a whole range of new services and improved service quality," said Vankoughnet. "By the end of 1991, all long-distance switches will be digital, and by the end of 1995, 90 per cent of local lines will be served by digital switches."

## O.P.P. REPORT

Lyon, the provincial traffic co-ordinator for the OPP, says, "It's only a matter of time... before the majority of cars, trucks and buses are seen with their headlights on for safety. Ontario law requires only motorcyclists to operate with their headlights on during the day, but a Transport Canada regulation which became effective with the 1990 model year requires that all new vehicles sold in Canada be equipped with automatic daytime running lights.

"I'm confident our accident statistics will show it's a positive move," says Sgt. Lyon.

He says owners of vehicles manufactured prior to 1990 who don't wish to run their full

lighting system in the daytime are able to have their vehicles retrofitted with running lights at relatively small cost.

As early as 1961, the practice of turning on headlights for daytime safety was promoted by fleet operators in the state of Texas. Soon after, the use of daytime running lights was promoted in other parts of the U.S., Scandinavia and Canada.

The Ontario Provincial Police are recommending motorists turn on their headlights during the daylight hours to make their vehicles more visible.

"It's certainly a proven fact that it cuts down on accidents," says Sgt. Bob Lyon. "Headlights or daytime running

lights allow a vehicle to be more easily seen by another driver, a pedestrian, a bicyclist, or even an animal, and this enables both parties to take any necessary action," he says.

Researchers report that the frequency of accidents involving lighted vehicles can be reduced by as much as 20 per cent.

Last year during Civic Holiday weekend, 22 people died in 10 accidents investigated by Ontario police services. Figures from the five years show that an average of 17 people have been killed in traffic on Civic Holiday weekend.

Peterborough Rowing Club shines...

**Going for gold:** The Peterborough Rowing Club's heavyweight coxed four of stroke Mark Platt, Phil Graham, Brad Williams, Norwood's own Sean Heffernan and coxswain/coach Joe Bell had a sensational Ontario Championship regatta in St. Catharines coming home with two gold medals. Sean and Phil (sitting in seats two and four in the four) led the club teaming up to take gold in the Intermediate and Senior Men's Pair. The crew also raced to silver medals in the Intermediate and Senior Straight Fours. This crew joined others from the PRC at last weekend's Canadian Championships in Montreal and will end the summer season this week at the world-famous Royal Canadian Henley Regatta in St. Catharines where they will face international competition that will include crews from the United States, the Soviet Union and Mexico. Photo/Bill Freeman

## Local artists' work to be displayed

Don Fraser of Queensborough, and Arja Palonen of Tweed have been invited by King Ranch, in King City, one of the most prestigious, Health and Fitness Spas in North America, to show their paintings.

The Spa was recently featured on the television program "Lifestyles of the Rich and Famous". Its expansive clubhouse make a perfect setting to display the artists' works.

Don Fraser's collection of 40 powerful paintings at the show, depict the "days-gone-by" Toronto scenes, Northern Ontario, Land-of-Lakes landscapes, and, as well, his character portraits, and expressive sepia sketches of Canadians from all walks of life. Fraser's work encompasses a span of 40-years, as he mostly painted for himself, while working as an art teacher at the Ontario College of Art, Northern and Central Technical Schools, as

well as a scenic and portrait artist for CBC in Toronto. Fraser's paintings have been in his private collection, until he started displaying them at the Studio 737 Art Gallery two years ago. His work has since received great attention, and people have come as far as Vancouver to buy his paintings by "word-of-mouth" referrals. Now more than 150 owners, of Fraser's work stretch across the North American continent.

Fraser is an impressionistic artist, having studied at the Ontario College of Art under Franklin Carmichael (Group of Seven), Manly MacDonald, and John Alfsen, thus acquiring the identifiable brush stroke, so much like the Group of Seven, yet, adds his own inimitable personal touch to his paintings which make them unique in their own right.

Fraser, having retired from his professional career as an art teacher, can be found trekking through Ontario with his brushes and paints, and painting with gusto so familiar to him.

Artist Arja Palonen's fourteen oil paintings at King Ranch, portray a wide range of subject matter, in her own "soft engaging style", such as children, animals, local and other area landscapes, which make an interesting and

varied display of her talent. Her arts curriculum was extensive in her native country, Finland, and after emigrating to Canada in 1957 she continued her art studies by attending first the Northern Secondary School's Fine Arts program, and subsequently transferring to Toronto's Central Technical School's Commercial Art course. Since her graduation she furthered her studies with numerous art courses in life drawing, portraiture, and oil painting; while pursuing an airline career.

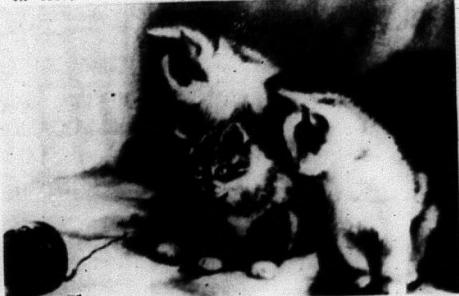

In 1985, after moving to

Newfoundland for a three year period she became a full-time artist and while there found out that her paintings became well-sought after. This was the deciding factor in her decision to continue to paint full-time after her return to Ontario in 1987. Her paintings have sold all across Canada, United States, and Europe, during her three years at her gallery, Studio 737.

Both artists' current exhibition at King Ranch can be viewed by appointment until Sept. 6, by calling (416) 833-7721 or 1-800-263-3272.

This piece by Don Fraser is just one of a collection being exhibited at the Fitness and Health Spa.

This piece depicts the "soft and engaging" style of artist Arja Palonen being shown at the Fitness and Health Spa.

In an up-coming charity drive, Summerhaven, home for the physically handicapped, is hoping to raise the final \$10,000 for a new bus which they have ordered from England to Bermuda.

Willard Fox, treasurer of the bus fund, said that previous fund-raisers like the "End to End" walk, raised \$30,000 of the \$40,000 needed to purchase the vehicle.

A meeting was held recently at Summerhaven to discuss further efforts to raise the remaining funds needed.

The new bus replaces the previous one of six years, which Mr. Fox says, is "on its last legs."

It will provide transport for not only those living at Summerhaven but also any other individuals, including disabled tourists, who need specialized transport.

"If there are any individuals or businesses out there that would care to donate money or

# More Abled Than Disabled

by Barbara Bruce-Pcalow

## Summerhaven, Bermuda seeks cash for bus

ideas we would very much appreciate it," said Mr. Fox.

### Reconsiders elevator plan

The Corporation of Hamilton is ready to reconsider an offer it turned down about three years ago to have an elevator for the physically handicapped installed in Front Street's No. 1 Shed, Hamilton, Bermuda, Cecil Dismont announced.

Although the offer came from the Women '87 Exhibition committee before Mr. Dismont took office, he promised to look into the proposal if it was presented to the corporation again.

"Research revealed that it would cost over \$25,000," said former committee member Anna Fulton, but we were going to approach other charitable organizations such as the Junior Service League for help. Unfortunately, we never got beyond the word of mouth stage.

Mrs. Fulton said the corporation decided that installing an elevator at the City Hall, which has not been done, should take priority over the installation of one at the No. 1 Shed.

"We had a meeting with the corporation and it was decided that an elevator would be installed at City Hall since it is used more regularly," she explained. "And No. 1 Shed was put on the back burner since it already had an escalator."

Mrs. Sandra Scott, who serves on the committee and organizes upper level booths said: "The proposal is buried in our files and it was impossible for us to get at it in such a short notice."

However, Mrs. Scott said the committee is willing to revive the proposal at April.

"We've done everything within our power to get the wheelchair-bound moved around at our exhibition," she said. "Accessibility for them at the No. 1 Shed is certainly still a problem."

Mrs. Dismont promised that the corporation would address the proposal as soon as it is received.

Meanwhile, chairman of the Bermuda Physically Handicapped Association, Margaret Carter, questioned the corporation's sincerity about helping the physically handicapped.

"It took us four years to get ramps on the first floor (of City Hall)," said Miss Carter. "I don't even go to cocktail parties because I have to sit down near the bathroom. And the No. 1 shed, I just knock off my list of places to go because it makes no sense to go there when I can't get to the upper level. The same goes for the public library."

Miss Carter said the corporation has been very reluctant in helping the physically handicapped in the past, but she hoped that would change.

"They were very resistant when they were approached about the elevator at the No. 1 Shed," she said.

**Barbara's note:** You can be sure and count on those caring people in Bermuda to look after you when you visit and holiday in Bermuda.

All the above articles were contributed by Mrs. Marlene Ferguson, Hamilton, Bermuda.

Thank you, Marlene.

### Blueberry growers:

1/2 teaspoon salt  
1/2 teaspoon cinnamon  
3/4 cup rolled oats  
1/2 cup lightly packed brown sugar  
1 egg  
1 cup milk  
1/4 cup shortening, melted  
3/4 cup Fresh Ontario High-bush Blueberries

Stir together first 4 ingredients. Stir in rolled oats and brown sugar. Beat together milk and shortening. Add to dry ingredients, only until combined but still lumpy. Stir in blueberries. Fill greased muffin cups 2/3 full. Bake at 400 F for 20-25 minutes. Enjoy!

### Newfoundland Blueberry Wine

2 quarts Fresh Ontario High-bush Blueberries  
4 quarts boiling water  
3 cups prunes

Bring blueberries and water to a boil; strain and measure. For each 20 cups of juice stir in 6 cups sugar. Boil 5 minutes, cool and add prunes. Place in crock or jar. Cover with cheesecloth and let stand 2 months. Strain and place in sterilized bottles. Seal.

Wine is delicious served very cold or mulled.

For information on where to buy or pick your own berries, call a grower in your area.

Chow, see you next week.

CELEBRITY EDITION: IMAGE SIZE 21" x 27" EDITION 9999 S/N & 99 APS ISSUE PRICE \$250 CDN

\*\*AUTographed BY WAYNE GRETZKY

John Lumbers spent months researching, talking to the Gretzky family and gathering reference material before he undertook the commission to paint Wayne Gretzky's boyhood dream. It became a reality. The finished result is this spectacular work of art. An art piece that is the determination and dedication of Wayne Gretzky and his wife Janet, with dad on the ice behind him and as the superstar the world has come to know and applaud.

Only Lumbers unique style could bring this inspirational story to life. This limited edition print is available only at authorized Simon Art Celebrity Edition galleries throughout North America.

## The First Choice For 92%

People tour Maple View all the time - either for themselves or for a family member. We ask these people if they would rank Maple View as their first choice for an admission - and 92% say yes they would! And the question is asked of all people touring Maple View for the first time - not just those who come to live at Maple View. Needless to say, many of these people have since come to join us, and they continue to praise the services and exceptional staff of Maple View. We have become renowned not only for our new spacious rooms, four piece baths, private outside doors and patios, but mainly because of the warmth and friendliness of the staff and other residents. This is as close to home as one can get and we are proud of it!

**So, call us for a tour, and see why 92% say we are the best!**

**Norwood's  
Derek  
Lynch  
takes 3rd  
in  
Budweiser  
500**

St. Pie, Que - Norwood's racing sensation, Derek Lynch drove his Chevrolet Lumina to a third place finish in the rain-shortened Budweiser 500 at Sanair Super Speedway Sunday afternoon.

Junior Hanley of Campbellville, Ont., took the race in his Ford Thunderbird and moved another step closer to clinching the GM Motorsport National Stock Car Series. Hanley, who has already collected a \$50,000 bonus for winning the Bud Triple (Sanair, Mosport Park and Riverside Speedway in Nova Scotia) extended his lead in both the GM Motorsport National Stock Car Series and the overall American Coors Tour (ACT) standings with his win.

Lynch, with his third place finish, sits in 4th place in the GM Motorsport standings 13 pts behind Randy MacDonald of Oshawa. There are two more rounds left in the series.

He is in 5th spot in the ACT points standings five points behind Beaver Dragon of Milton, Vermont. They have completed 15 of 21 races.

Hanley led 140 of the 151 laps in the scheduled 300-lap main event. Dragon, in a Pontiac Grand Prix, was the only other driver to be out in front, leading laps 101 to 111, when Hanley took advantage of a yellow caution flag to pit for gas and new tires.

However, a heavy rain storm hit the south of Montreal on lap 107 bringing proceedings to a halt for 1 1/2 hours. When the track finally dried out, the cars returned to the track under a yellow flag.

Just prior to the restart, however, Dragon and MacDonald made a quick pit stop for gas and new rubber virtually handing the lead -- and the race -- to Hanley.

"We new we couldn't go the entire way without stopping for gas," Hanley said. "I was looking for a chance to pit when there weren't many cars on the lead lap so I wouldn't lose too many positions."

"I think if Dragon had pitted at the same time as me instead of waiting it would have been a real fight to the finish. He and Randy probably would have run out of gas if they hadn't stopped when they did because of all the laps we did while trying to dry out the track."

Hanley stands a chance to win another \$100,000 in bonuses if he can stay hot. General Motors of Canada offers \$50,000 to the National Stock Car Series champion and ACT throws in another \$50,000 to the overall series victor.

# Madoc Fastball Tournament

Mike Elson (middle) and Bill Chesher of the Frankford team accept the \$300 consolation championship prize from swimming pool

committee member Aileen Pigden. Frankford defeated Duvall 10-5 in extra innings to win the consolation final.

The Madoc Fastball Tournament was able to avoid most of the rain over the weekend and was quite successful.

Promoter Daryl Kramp donated the proceeds of the tournament to the swimming pool and lawn bowling project.

In other games in the tournament: Wildcats beat Frankford 5-4. Dempsters beat Oldtimers 4-2. Strippers beat Madoc 4-3. Tweed Muir defeated Darrah's 4-3. Belleville Selects blanked Duvall 6-0. Windsor beat Plumbers 8-2. Frankford defeated Oldtimers

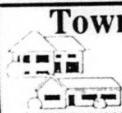

4-3. Madoc beat Darrah's 6-5. Duvall defeated Plumbers 4-3. Duvall beat Madoc 5-4. Dempsters blanked Wildcats 5-0. Strippers beat Tweed Muir 5-3. Belleville Selects defeated Windsor 6-1. Belleville Selects beat Strippers 4-3.

Coach Glenn Carlton (left) of the Dempsters team from Belleville accepts the \$400 championship prize from swimming pool committee member Jim Watson.

## Butter making

Children participating in the O'hara's Mill Friday Frontier Days learned how ice cream is made, and how to make butter. In photo: Arogyte Allen supervises Kelly who takes a turn on the butter churn.

## Big Brothers and Sisters of Centre Hastings

The board of directors held a very informative and productive workshop on Saturday, July 20th. The calendar of events was decided upon for the following year and it appears to be a very busy time in the months to follow.

Big Brothers and Big Sisters spent a fun filled day at Wonderland on July 14th. The trip was such a success another one has been scheduled for Sunday August 11th. Anyone wishing to reserve a seat or wanting further information please call our office, the cost will be the same, \$25 per person.

Remember the car rally last September? If you were there you'll remember what a great day this was, if you didn't participate plan on coming

## OBITUARY

### Ethel Margaret Griffin

Ethel Margaret Griffin died on July 26, at Belleville General Hospital, after a two week illness. She was 83.

Mrs. Griffin was the loving daughter of the late George and Mabel Purdy, and the loving sister of John Purdy, Campbellville and Noreen Purdy, Milton.

Mrs. Griffin was the loving wife of the late George Griffin and the dear mother of Larry Griffin, Windsor, and Marlene Grimwood, Rockwood.

She was the loving grand-

mother of Jeff and Justin Griffin, Windsor, and Christopher, Lise and Mark Grimwood, Rockwood.

Mrs. Griffin was a member of the U.C.W. and the Eldorado Women's Institute.

Her funeral was held at the Eldorado United Church on July 28.

Minister Teresa Ramsay officiated the interment at the Eldorado Cemetery.

Pall bearers were Jeff Griffin, Ron Purdy, Glenn Canniff, Don Griffin, John Donaldson, George Atkinson.

## Program could be beneficial to village

*Cont'd from page 2*  
single industry towns. The program was also created to help areas with chronic unemployment, communities which are struggling with economic decline, but which have some permanent growth and development opportunities.

The first step in the program is to establish a locally representative Community Futures committee that will analyse and identify the potential for creating permanent economic improvement.

The key feature of this program is the fact the federal

government does not dictate which of the five options the individual committees should choose.

The five options include:

- Self-employment Option - pays \$230 per week for a year to encourage unemployed people to set up their own small business.

- Business Development Option - provide funding for the creation of a Centre that would support new and established small firms in the community through loans, loan guarantees and advisory services.

- Purchase of Institutional

Training Option - provide training which will lead to employment alternatives.

- Relocation and Exploratory Assistance Option - this option is mainly for communities experiencing mass layoffs. This option will help workers with no chance of employment in their present community to relocate to find a job.

- Community Initiatives Fund - supports exceptional projects that relate to the committee's plans for solving unemployment in the community. The project proposal must show the creation of permanent employment at a reasonable cost.

## SUSTAINABLE FORESTRY

### CALL FOR EXPRESSED INTEREST TO PARTICIPATE IN THE DEVELOPMENT OF A CONSERVATION POLICY FOR OLD GROWTH ECOSYSTEMS IN ONTARIO

The Ministry of Natural Resources will establish a Policy Advisory Committee to assist in the development of a conservation policy for old growth forest ecosystems in Ontario. The conservation policy will be guided by the Comprehensive Forest Policy Framework. It will be developed:

- based on a review of existing information relative to old growth forest ecosystems and their conservation;
- with input and recommendations from groups and individuals expressing interest in the conservation of old growth forest ecosystems;
- recommending the collection of new information on biological, social, cultural and economic values related to old growth forest ecosystems in the long term; and
- through public consultation, using consensus-building techniques, to develop options which will be presented to the Minister of Natural Resources.

The Policy Advisory Committee will consist of individuals who have:

1. expressed interest in integrated resource management;
2. expertise in biological, economic, social or cultural areas;
3. demonstrated an ability to participate in a group setting and to work toward a common goal; and
4. approximately fifty days over a period of up to two years to devote to this policy development initiative.

Expressions of interest in participating in the Old Growth Ecosystem Policy Advisory Committee will be accepted until September 13, 1991.

## Madoc Carnival great success

**by Jeff Wilson**

The Madoc Mid-Summer Carnival was a "great success" according Fair Board Chairman Bill Baker.

Baker said he thought a record crowd attended this year's carnival.

"We had a wonderful turnout, the Hell Drivers were excellent, the motocross was good, the horse drawing was good, the truck mud bog was good, and the demolition derby was also good," he said.

In the demolition derby Kevin Sharp of Campbellford finished first, Joe Lessard of Tweed was second and Charlie Way also of Tweed took third.

In the horse drawing event, in the light class Ken McNeely of Kemptville took first. David Peterson of Madoc placed second and Rich Ladouceur of Edwards finished third. In the heavy class Dennis Stewart of Woodville took first, Scott Nesbit of Minden placed second, and Ken McNeely of Kemptville finished third.

**THE MADOC REVIEW.**

## Council supports enhanced 911 system

*Cont'd from page 1*  
information and maximize response times".

Village council also preferred billing to be done by Bell Canada rather than the billing through municipal taxes.

Currently emergency calls from the village are handled

through calling zenith numbers. Reeve Tom Deline said the presence of a 911 system will definitely speed up response times.

The 911 system will probably come before Hastings County council for a vote in September, Deline said.

## Erwin-Baker

Lisa Margaret Ann Baker and Mark Joseph Erwin were united in marriage during a candlelight ceremony April 27, 1991 at 6:30 p.m. in St. Peter's Presbyterian Church in Madoc.

Rev. George Beals officiated, organist was Edith Alysworth. A duet was sung by David and Carriion Curl. The bride is the daughter of Winston and Margaret Baker of Madoc. The groom is the son of Ken and Evelyn Erwin of Tweed. The maid of honor was the bride's friend Julie Burns of Iroquois. Bridesmaids were Elizabeth Cooney of Stirling, sister of the groom. Sherry Baker of Madoc, sister-in-law of the bride, Tara Baker of

Madoc, sister of the bride and Karen Kinnear of Belleville, cousin of the bride. Flower girls were Mary Anne Fleming and Stacey Preston nieces of the bride, and Kristina Erwin niece of the groom. The groom's brother Brian Erwin of Tweed was the best man. Ushers were Kevin Baker of Madoc, brother of the bride, Allan Erwin of Stirling, Paul Erwin of Toronto, brothers of the groom and Rodney Fobear of Tweed, cousin of the groom. Ring bearers were Jeffery Preston and Joshua Fleming, nephews of the bride. After honeymooning around Lake Ontario, Lisa and Mark will take up residence in Eldorado.

## Dates to Remember

Aug. 14 - Eldorado Cemetery Plotholders meeting, 7:30 p.m. at Eldorado United church.

Aug. 17-18 - 11th Annual Art and Crafts Festival and Sale, 10 a.m. to 5 p.m., at The Lester B. Pearson Peace Park parking lot.

Second Class Mail Registration No. 1016 .35¢

### Open for business

Karrah Rollins (right) is the first to take a dip in the new village swimming pool last Monday morning. Karrah was at the pool for

her swimming lessons, her instructor Sarah Parks helped her into the pool.

### Madoc Township Council

Madoc Township council is in support of a 911 emergency system, but deferred any decision until costs are studied.

The Madoc Township Fire Chief, in attendance at the August 6 regular council meeting, felt costs listed in a 911 feasibility study were too low. He said Belleville Police Sgt. Roy who prepared the report may have underestimated the costs of manning the line 24 hours a day.

Council decided to study the cost issue further and bring the item back before council in September.

Madoc Township Council voted in favor of lending its loader to the Madoc Village swimming pool and lawn bowling project.

Council passed a bylaw proclaiming the purple loostrife plant as a noxious weed.

Though the weed looks appealing to the eye, the plant is rapidly drying up local wetlands, and jeopardizing the life of animals that call the wetlands home.

Council has asked the Ontario Provincial Police to look into lowering the speed limit on County Road 12 around Hazzards Corners.

Members of council voiced their concerns over possibility of accidents with cars turning onto County Road 12 from Hazzards Corners.

Madoc Township Council passed a resolution stating its objection to cuts in grants to the Moira River Conservation Authority (MRCA).

The Ministry of Natural Resources has cut grant money to the MRCA, and council are upset that it will probably have to increase its funding to the authority.

sunglasses were stolen. Just down the road at the Marmora Village garage, the building was entered and a 1979 G.M.C. pick-up was stolen.

The pick-up was located in the Hamlet of Cooper, where it was set on fire and totally destroyed. A short distance away.

## Remember When?

Catholic Church photo provided by Edna Adams.

## Remember when a needed tonic

by Peter Sutton

As today's economy is in a major rut, and Mr. Mulroney's government doesn't seem to be doing anything to help us get back on the road to better times, I thought it might be neat to take a trip back into the past and have readers of the Madoc Review send us some interesting tidbits of how the way of life in Madoc used to be when they were in their teenage years.

Do you remember where Richard's Restaurant was, or where the old Ford dealership was? How about the cost of a bunch of carrots in Devolin's grocery store, or the price of a bottle of milk at Kincaid's grocery store? How much was a gallon of gas at the Sunoco station where Dixie Lee stands today?

If you have any interesting facts about the way of life in Madoc when you were a teenager, please write us a short letter and we will print the most interesting facts in upcoming issues of the Review.

A big note of congratulations must be directed at everyone

involved with the fundraising and construction of the community swimming pool and lawn bowling greens at the "Whytock Property Municipal Park". The pool, along with the smaller wading pool for kids, should be in full operation and ready for the public very shortly.

Even though we are in tough economic times it's nice to see that many of the business owners in Madoc have the time to keep the downtown core looking good by painting and cleaning up their buildings. Unfortunately there is a small minority like to do their own redecorating through vandalism.

Business owners are only trying to make the town a nicer place for you and visitors to the area to be, so think twice next time, and allow the businesses of Madoc, along with the village council make this a great place to live and nice for people to visit.

Well people, that's it for this issue. T.T.F.N. and I'll talk to you next week.

## Garlic man shares his knowledge and goal

by Jeff Wilson

Vampires venturing into Canada best beware of Ted Maczka and his goal.

Ted is known as the Garlic Man of Fish Lake and his goal is to see Canada become self-sufficient in the production of garlic, rather than importing from the United States, Europe and China.

Maczka has been producing his own garlic for 15 years ever since he read a magazine article stating that Canada imports \$5 million worth of garlic each year.

Maczka said he is attempting to spread his knowledge of growing garlic around the country through the media as well as through the booth that he sets up each year at the Royal Canadian Winter Fair. A farmer in Ivanhoe, an old customer of Maczka took his advice and is now growing his own garlic.

In an interview Maczka said garlic grows best in organic soil and the garlic bulbs should be planted in the fall, about three to four weeks before the ground freezes. He said it is important not to plant the bulbs too early, because if they grow too high the frost will kill them. Maczka said garlic bulbs can also be planted in the spring as soon as the ground becomes soft and workable.

He said root development takes about three to four weeks. During the growing process Maczka said the leaves should be broken off in four to five weeks so all the strength is in the bulbs rather than the seeds. He said if all the strength is left in the seeds it will result in smaller bulbs, bulbs.

In his attempt to see Canada become self-sufficient in garlic growing Maczka has created a special \$100 prize for the best domestic grown garlic at the Canadian Royal Winter Fair.

Maczka said he exports his garlic all over the world, including the United States, Europe and last year the Philippines.

Ted Maczka, "The Fish Lake Garlic Man" would like to see Canada become self-sufficient in the production of garlic. Maczka has been producing garlic for 15 years and is willing to share his techniques with anyone who is interested in producing their own garlic.

As well as being easy to grow Maczka said the oils that garlic produce are good for the human body. He said the oils clean the body's system of unneeded leads and metals. It also can prevent some types of cancer, and thins the blood to allow better circulation.

Maczka said garlic also can

## Bantam Girls Softball Tournament

Tournament champions The Lakers from Madoc. The team defeated Tweed in the final game 19-18 to take the bantam girls title. The team members are: front row (l-r) Sherry Post, Kelly Preston, Taryn Kramp, Diane Phillips, middle (l-r), Nanda Burkitt, Sarah

Parks, Katrina Bancroft, April Wood, Nancy Donaldson, Back row (l-r) Coach Art McDonald, Dianna Blakely, Jayne Daniels, Maria Blakely, Stacy McQuigge, Coach Colleen Parks.

Coach Colleen Parks presents Jayne Daniels with the Most Improved Player award on the Lakers team for the season.

Tweed was the runner-up in the bantam girls weekend tournament, losing 19-18 in the final against Madoc. The team members are: front row (l-r) Melissa Schrider, Rachel Vance, middle (l-r), Nancy Stewart, Angela Morton, Kim Spencer, Penny Walz, Laura LaBerge, Back row (l-r) Coach (Smiley) Dave Chambers, Lisa Morton, Penny Anderson, Michelle Genereaux.

Rachel Vance is awarded the Most Improved Player award for the Tweed team by Coach (Smiley) Dave Chambers.

Coach Colleen Parks (middle) awards Julie Meiklejohn (left) from Springbrook with the bantam girls' Golden Glove award which was donated by Doug Lake of Lake Construction. Angela Morton of Tweed was the runner-up in the Golden Glove competition.

## Recycling program resounding success

For Brian Peck, superintendent of Presquile Provincial Park, the reasons for reducing waste at parks are simple.

"Parks stand for protection of the environment," he says. "People expect us to recycle."

The Ministry of Natural Resources recycling program at provincial parks has been a resounding success. Peck reports that at Presquile, the first provincial park to implement a recycling program, three tonnes of cans, bottles and plastic were recycled in 1989, and five tonnes in 1990. This year Peck has already seen another increase in the amount of material being recycled and therefore diverted from the local landfill site.

"We have blue containers for recyclables at nine locations in the park," he says, "and we spend a lot of time talking to park visitors about the recycling program."

Presquile is one of more than 70 provincial parks providing recycling programs this year. Programs are being offered at parks wherever there are local markets for recyclable materials. These parks collect one or more of the following: newspapers, glass bottles and jars, metal food and beverage cans, and plastic soft drink containers. Beverage cans are most commonly collected.

The ministry's park recycling programs are supported by government and non-government partners, including the Ministry of Government Services, the Environmental Youth Corps, Ontario Multi-Material Recycling Incorporated and the Association of Municipal Recycling Co-ordinators.

A new element in parks recycling is the Blue Bag pilot program which is being implemented through a new partner-

ship with First Brands (Canada) Corporation, marketers of Glad Bags. It's designed to help park visitors collect recyclables at their campsites.

As part of the program, strong, leak-proof Blue Bags are available this year in five parks—Sibbald Point, Killbear, Presquile, Restoule and Pancake Bay. Parks visitors can use the Blue Bags on campsites for storage of cans, bottles and plastic containers. Recyclables can then be easily transported to available park recycling depots or taken home and disposed of through community recycling programs. Empty bags will be collected and recycled by First Brands.

The Blue Bag program is not the only pilot project this year designed to increase the amount of park waste diverted from landfills. At Presquile this year, Peck has also introduced a pilot composting project. Park visitors are encouraged to deposit food waste in the composters. The waste gradually decomposes into a rich soil.

While the recycling program is receiving enthusiastic support, MNR is encouraging visitors to practice all of the three R's of waste reduction in provincial parks—reduce, reuse and recycle.

Park visitors can reduce by using washable, not disposable dishes and avoiding the use of overpackaged products. Bags, containers, maps, brochures and trail guides can be re-used.

## Two heads in the sand are no better than one

By Michael Wykes

The recession, cross-border shopping, the seven-per-cent Goods and services Tax—this triple whammy, has played no favorites in its assault on all sectors of the Canadian economy.

The once healthy tourism industry, for example, has been a prime target as Canadians are venturing to the United States in record numbers, spending their money and vacation south of the 49th parallel. On the other hand, because of taxation reasons, Americans aren't as eager to shop for gas, clothing and food here, which hurts as Yankee dollars have always been a huge source of revenue for Canada's tourist industry.

Not anymore. Tourism is down almost 10 per cent from last year and tourism operators are watching their business drop to levels not seen since the 1981-82 recessions. And cross-border shopping continues to exact a heavy toll on thousands of small businesses across the country. So what can be done?

Well, not much if you put your trust into the hands of Federal Minister of Small Business and Tourism, Tom Hockin, and his Minister of Revenue colleague, Otto Jelinek. Together, Jelinek and Hockin form the brains behind the federal government's attack on the precipitous drop in tourism and the soaring level of cross-border shopping.

On occasion, Jelinek has been seen popping up in towns and cities across the country holding meetings with civic mayors and provincial politicians in an effort to come up with solutions to this "made in Canada" tax revolt. He has managed to keep a straight face while saying the "GST" is not a factor in people's decision to shop in the U.S.

Whether he believes what he says, the latest poll by Angus Reid shows almost half the respondents shop south of the border specifically to avoid paying the GST. Jelinek's measures—fast-track lanes, heavier fines for smuggling, and the yet-to-be launched (in Ontario) a federal-provincial sales tax collection arrangement—have merely bandaged the hemorrhage and the shoppers' stampede continues unabated (5.2 million one-day shoppers in May of this year, a 19.6 per cent jump over April).

For his part, Hockin has tried to address the drop in tourism and the American antagonism towards excess taxation with GST rebates for travellers to Canada. He has called the GST rebate "one of the most generous in the world."

Unfortunately, its generosity doesn't extend to items and services used most when vacationing—restaurant meals, gasoline, drinks, room service. Ironically, the rebates are provided only after the person(s) have returned home. Canadian tax dollars end up being spent outside of Canada by non-Canadians. Hockin also saw fit to commission a survey of Americans' views of Canada as a travel destination. The findings showed our neighbors from the south consider Canada at least 20 per cent more expensive than a holiday in the U.S.

What Hockin and Jelinek have stubbornly refused to acknowledge is that businesses along with consumers are carrying heavy tax burdens which play into the hands of lower-taxed U.S. firms. Until all levels of government admit that the high taxes are a large part of the problem, the other so-called solutions are only public relations initiatives.

## Students get congratulations for completing C.P.R. course

By Maureen Dikun

The Campbellford-Seymour Heart and Stroke Foundation congratulates the students of Campbellford District High School who completed the course in Cardiopulmonary Resuscitation (C.P.R.) at the end of the school year.

Forty-six students participated in the course. It was made possible by the donation of \$200 from the Northumberland Arts and Crafts Council. The excellent response from the students necessitated the utilization of many certified instructors, made possible and partially subsidized by the C.P.R. program at Campbellford Memorial Hospital.

This certainly offers a perfect example of three groups working hand in hand with our high school in order to ensure that at least one person in every household knows C.P.R.

It is hoped that more students will be certified in the coming months.

Those obtaining C.P.R. certificates were: Jeff Phillips, Melanie Buchanan, Carla Slaunwhite, Sherry Little, Janet James, Peter Burnett, Toni Luke, Jonathon Presser,

Tracy Outingdyke, Brad Barton, Melissa Burgis, Sarah Connor, Bruce Buchanan, Kristine McLean, Jeanette Larcombe, Julie Mahoney, Brenda Ward, Charlotte Hicks, Tara Tanner, Tania Caryi, Scott Richter, Julie Rogers, Chris Williams, Sara Loucks, Jocelyn Watson, Michelle McFadden, Steven Whiting, Becky Weese, Mary Lister, Susan McFeeitors, Sara Kerr, Julie Booker, Glenda McKinon, Shawn Jamieson, Suzanne Cont'd on page 5

### YOUR LOCAL REAL ESTATE AND CLASSIFIED MARKETPLACE

**Binky and Reg:** Binky the Clown, joined above by Reg Adamson of Douro, was a popular person during the Keene Lions Club's annual craft day last Saturday. Visitors to the area were able to stroll through the village's streets and view more than 80 craft displays before stopping off at the ballpark where a mixed three pitch tournament was taking place. Photo/Bill Freeman

the hungry and thirsty, there was chicken BBC in the arena and a beer tent in the fire hall. Bingo enthusiasts also had a chance to try their luck during bingo games in the Lions Den. And for the auction-minded there was an auction sale during the afternoon. In the evening the band "Moonshine" entertained revelers in the arena. Photo/Bill Freeman

### Hockey superstar Steve Yzerman adds to Cuties' prize list

**Norwood** - While NHL superstar Steve Yzerman is busy working out with Team Canada down in Toronto, he hasn't forgotten his friends in Norwood.

The Detroit Red Wings captain and all star centre has added his name to the growing list of prize contributors helping out with the August 19 California Cuties fundraising game after donating an autographed hockey stick that will be raffled off during the match.

The game pits the fabulous California Cuties against Norwood's 1990 ORSA Junior 'A' champions. The Cuties will mix their legendary brand of softball greatness with baseball humour as they take on the upstart juniors.

Funds raised through the game will go to the first-year Norwood District Minor Softball Association.

Support from area merchants and individuals through draw and raffle prize contributions has been fantastic and it appears as though the list grows a little longer each day.

Steve Yzerman's contribution is the latest and will be a great way to remember the

California Cuties' visit to the village.

Among the prizes that will be up for grabs for advance ticket holders during the Aug. 19 match include: two coolers, two waist pouches and a beach party pack from Canada Dry; a sports bag and hat and a stuffed "Humpty Dumpty" from the potato chip company; a girl's and boy's team pack from the Norwood Driver and Vehicle Licence office; a towel, shorts and a hat from Coca-Cola; four baseball caps from J.J. Stewart Motors; six hats from Alfa Laval; three hats from Holiday Ford and chips from Hostess and Frito Lay.

Raffle draw prizes (three for \$1 during the game) include: Steve Yzerman's autographed hockey stick; a St. Catharines Blue Jays (Baby Jays) sweatshirt, key chain, pin and stickers from Bill Freeman; a bat and duffle bag from Sports Unlimited; two \$25 gift certificates from Hobies Sports; an oil, lube and filter from Holiday Ford; a set of stuffed cats and a bunny from the Driver and Vehicle Licence office; one oil, lube and filter and one wheel balance and tire rotation.

### ORSA dreams fade for Norwood pee wees after two narrow losses

**Rockwood** - After a close win over Rockwood July 28, the Gramma Flos/Bullock Insurance pee wees travelled to Rockwood Aug. 4 to see if they could keep their Ontario Rural Softball Association (ORSA) playoff dreams alive.

The trip was plagued from the start when coach Al Partington had vehicle trouble on the 401 express lanes in mid-Toronto. Fortunately, he was able to maneuver to an exit and then to the roadside while the Heffernans and Weases were able to circle back for the rescue, picking up the players, coach and equipment.

Then it was on to Rockwood. Brandon Laurie knew he was expected to pitch well if the Donut boys were to win so he travelled down the night before and the extra rest and preparation showed results.

After three innings, both pitchers were perfect; however, two costly errors allowed

Rockwood a two-run lead after four innings.

Once again, there were goose eggs on the score board in the fifth and then Norwood got something going only to have the rally end with a pick-off at second base and a base-running mistake.

Rockwood capitalized with some timely hits of their own and through some mental errors by the Norwood players to add three more runs. The win forced a third and deciding game.

Game two zipped by in one hour and fifteen minutes and after a 30 minute break, Norwood took the coin toss and earned the "home team" designation.

But Rockwood, still pumped up from the previous game, scored their first two batters to take a quick lead.

Norwood's lack of offence was a concern before they headed west, coach Partington

*Conf'd to page 2A*

This is a typical scene at lock 14 on the Trent-Severn Waterway as a couple of nautical visitors make their way through the main water route. According to Parks Canada staff traffic through the lock is down sharply from last year by some 200 boats so far this season.

The GST, the recession and rising costs of boating recreation have been blamed for the decline. Notice how the boats are tied down snugly at the sides to keep them from bouncing around off the cement sides on their way through. photo/Rolly Ether

An urgent appeal for funds has been launched to help provide vacations for physically challenged people.

"Give Them A Break" is the theme of a fund-raising program by Participation Lodge at Holland Centre, Ontario, near Owen Sound, to help provide vacations for physically challenged youth and adults.

Unfortunately, there are many physically challenged individuals and their families who cannot afford any kind of holiday.

Andy is a physically challenged young man with cerebral palsy. He lives his life in a wheelchair. Just like everyone else, Andy needs a change of scenery and some rest and relaxation.

Donation to the "Give Them A Break" fund-raising program will allow Andy and others like him from throughout Ontario to enjoy a wonderful vacation at Participation Lodge.

## More Abled Than Disabled by Barbara Bruce-Pealow

### "Give Them A Break" theme of program

This urgent appeal is for direct cash donations, as well as for on-going fund-raising events such as garage sales, fashion shows, festivals, concerts and other events by schools, churches, service clubs, sports groups, social clubs and caring citizens.

Proceeds will help finance vacations for the many physically challenged people like Andy.

Participation Lodge is a registered non-profit corporation opened in 1982 to improve the quality of life for physically challenged people.

The Lodge is a 25-acre retreat that can accommodate 21 disabled guests, 12 permanent residents and two respite care rooms. It is designed with wheelchairs in mind and more than adequately meets the increased requirements of physically challenged youth and adults. (Over a mile of conveniently paved pathways connect the lodge to an adjacent family campground and the shore of Robson Lake.

Here are some suggestions for fund-raising events:

Bed Races, Soap Box Derbys, Car Washes, Bake Sales, Bicycle Rallies, Motorcycle Rallies, Garage Sales, Dance Marathons, Stationary Bicycle Races, Basketball Games, Concerts, Talent Shows, Arm Wrestling Competitions, Carnivals, Hockey Games, B.B.Q.'s, Fashion Shows, Christmas Craft Sales, Canoe Races, Christmas Parties, Golf Tournaments, Lacrosse Games, Music Festivals, Movie Festivals, Aerobic Marathons.

Broomball Games, Baseball Games, Dances, Theatrical Plays or whatever else you can dream up!

There are all kinds of possibilities for events that can be a great deal of fun and can also raise funds for this worthy cause.

Proceeds from any fund-raising event or direct donations for "Give Them A Break" should be sent to: Participation Lodge, Box 139, Holland Centre, Ontario, NOH 1R0.

If you have any questions, please call Glen McNabb at (519) 794-3201.

\*\*\*

Shirley Albright of Nappin Island would like to share this recipe with you.

**Shirley's Freezer Cucumber Pickles**

2 - 3 med. cucumbers (peeled and sliced)  
1 onion (sliced)  
2 tsp. course or pickling salt  
1/2 tsp. alum

Place in a large bowl and mix in salt, mix well. Let stand 2-3 hours. Drain well.  
In saucepan combine:  
1/2 cup vinegar  
1 cup sugar

Bring to boil; simmer 5 minutes, then pour over cucumbers, onion, while hot. Mix well. Place in containers, seal, cool, then freeze. To use, let thaw in refrigerator.

**Chicken and Rice**  
(from "Jean on the farm")

1 cup raw rice  
1 1/2 cup water  
1 Lipton onion soup mix  
1 chicken (cut up)  
1 can cream of mushroom soup

Grease 9" x 13" pan. Lay chicken pieces over rice, water, and onion soup mix, then spoon mushroom soup over it. Bake uncovered for 1 1/2 to 2 hours at 350 degree oven.

Chow, see you next week.

## ORSA dreams fade for Norwood pee wees

*Cont'd from page 1A*  
said, and the silent bats told the tale in Rockwood.

Laurie started to tire, as one would expect, and walked in a third run in the third inning.

Brad Walst, the only offensive threat during the day, finally scored on Laurie's solid triple.

Tim Miles followed with a single and suddenly the Donut boys trailed by just one run.

Laurie settled back down into his perfect pitching rhythm during the fifth inning and this, coupled with two solid defensive gems by Scott Christie, kept Norwood close.

Walst got aboard once again, this time in the sixth. The speedster then stole second and advanced to third on a passed ball. He could move no further.

Rockwood chipped in an insurance run in the seventh inning and Norwood could not respond during their final bat.

A large crowd was on hand at the Rockwood park despite constant showers, cold wind and some slight sunshine.

All remarked that they enjoyed some excellent ball from two evenly matched teams, coach Partington said.

Once again, Norwood was well-represented on the road.

"I was pleased with the effort put forward from all players," the coach said, "especially Brendan Laurie who was one step above on that day."

Norwood's goal now, coach Partington says, is to focus on the Kawartha League title.

## Ayr nips J.J. Stewart bantams in ORSA semi-final opener

**Norwood** - It could have gone either way and Thursday night the scale tipped in favour of visiting Ayr as they squeezed out a 6-4 win to open a very closely-matched ORSA semi-final series.

Ayr 6, Norwood 4

Ayr jumped out to a quick 2-0 lead after slapping out three first inning hits which included a double and triple.

But Norwood replied in kind tagging the visitors for three hits and scoring two runs thanks to singles by William Mood and Jeremy Partington along with a Jeff Beavis' RBI double.

Beavis would score Norwood's second run to even things up.

Neither side could muster any offence in the second but Norwood's bats came alive in

the third after pitcher Derek Coyle belted out a double.

Coyle's hit was followed by a Beavis double and Jason Calder's RBI double.

Down 4-2, Ayr took advantage of a couple of walks to put men on the base paths and was able to engineer one run on no hits.

The fourth inning breezed by scorelessly but Norwood got into a deal of trouble in the fifth giving up three hits and three runs while failing to score a run of their own despite picking up two hits and loading the bases.

Norwood shut down Ayr in the sixth and seventh innings but could not close the two-run gap. Joe Maddison and Ehren Davey would pick up sixth inning hits but the home boys could not get them across the plate.

## Norwood Lions Club looks back on 'exciting and busy time'

**Norwood** - The past year has been a busy and exciting one for the Norwood and District Lions Club.

Under Lions President, Jim Crawford, the members of the club has served the community in many and diverse ways and with this involvement has watched its membership grow to 50 - a club record - with four new Lions added this past year.

And the club, ever modest, is nevertheless justifiably proud that "one of its own" - Frank Stewart - was elected Governor for District A3; a district that extends from Bowmanville to Kingston and from the Lakeshore to Maynooth.

### Special projects

The work of the Special Projects Committee has left an indelible mark on the community after completing several projects during the past 18 months. This year, the club provided playground equipment for St. Paul's Separate School following a similar venture last year, which provided equipment for Norwood District Public School.

The combined cost of both projects was approximately \$34,000.

The Lions Club also provided \$5,000 for fencing at Norwood District High School for the

tennis court located behind the school.

And currently, renovations to the lower level of the Norwood Town Hall are nearing completion. These changes include making the area accessible for the handicapped, adding two washrooms and new flooring in the main room which can now be used as another meeting hall.

The approximate cost of these town hall changes is \$35,000.

The combined cost of these projects, all pursued in the 18 months, was approximately \$100,000.

The club's Environment Committee planted 70 trees in the community and cleaned up part of the Ouse River from the Mill Pond to the Lions' Park. The clean up helps maintain Norwood as a pleasant place to live and the trees will add beauty for years to come.

The Boys and Girls Committee was also active in helping young people in the community. The club has helped purchase uniforms and badges for sports groups while also assisting young people who attended Camp Kawartha, Toc Alpha, Jamaica Self Help, and the SEVEC exchange to Quebec.

The Norwood Lions Club as provided \$400 bursaries to four students at NDHS and contributed \$600 to the Lions Quest Program which assists in

youth drug awareness.

The club has also hosted a children's Christmas visit by Santa Claus and will sponsor a Fair Queen contestant in this year's competition.

The total cost of all of these youth projects was approximately \$7500.

The Health and Welfare Committee provided wheel chairs and other health aids to individuals throughout the past year. And along with Legion Branch 300, the club distributed food baskets and flowers

- collected and donated by local community groups - at Christmastime.

The Norwood Lions Club also assisted local victims of fire.

The club's fundraising activities receive full and strong support from community residents and have included calendar and citrus fruit sales in September; a draw and bingo at the Norwood Fall Fair; the Norwood District High School dinner theatre and a performance by Tanglefoot in the winter and the Victoria

Day "Wacky Water Weekend" featuring model boat races and an Italian dinner.

As well, the club hosts a popular bingo evening every Tuesday which attracted more than 4500 players this past year.

The 50 members of the Norwood and District Lions Club would like to thank the community for their support during the year and hope that

### Hockey superstar

**Steve Yzerman adds to Cuties' prize list**

*Cont'd from page 1A*

from the Norwood Auto Centre; a Melita Coffee Maker from Pakenham Insurance and a \$20 gift Certificate from Burger Hut.

There is also, courtesy of Cal Clarke, a large jar at the ballpark concession stand which is filled with pennies and assorted loonies and fifty cent pieces and for 25 cents a shot you can try and guess the total amount of money in the jar. The winner will be announced during the game.

If you want to take a look at some of the prizes they make up a colourful display in the

window of the Driver and Vehicle Licence office on Colborne Street in Norwood.

Tickets for the California Cuties/Norwood Juniors game are \$4 for adults and \$2 for youngsters 6-14 years; they are available from the Norwood Driver and Licence Bureau office, the ballpark concession stand, any player or coach on any of Norwood's eight travelling teams and from members of the Norwood District Minor Softball Association executive.

The game starts at 7:30 pm at the Norwood Fairgrounds.

The 136th running of the Campbellford Fair was held during the weekend, launching the fair season in Northumberland County. Two of the homecraft winners, Vanessa Apars (centre) and Julie Godden (right) receive their prizes from Homecraft Division president Cathy Redden. photo/Rolly Ethier

## Ayr nips J.J. Stewart bantams in ORSA semi-final opener

*Cont'd from page 2A*

plate. The seventh inning was similar with Partington and Beavis opening with singles but each was forced out at second base. The same thing would happen to Calder (reaching first on a single) who was forced out on a infield hit by Don Clarke.

Leading the way for Norwood was Beavis who slugged out two singles and a double while scoring two runs; Coyle and Calder also picked

up a single and a double with Coyle scoring one run.

Adding the other Norwood run was Partington who also had three singles.

Mood, Clarke, Maddison and Davey had the other Norwood hits - all singles.

Derek Coyle went the distance for Norwood striking out three, gave up eight hits and allowed just four walks.

Norwood must now win two straight to eliminate Ayr.

## Agricultural fairs important showcases, says MPP Buchanan

Agricultural fairs are important showcases for Ontario farmers, says Elmer Buchanan, Ontario's Minister of Agriculture and Food.

"Urban dwellers can learn a lot about farm life from the displays, presentations and craft tables, and farmers talking with consumers, and consumers with farmers," he said. "The Lakefield fair was one of many Buchanan has attended and will be attending all over his constituency."

It was drizzling when he took part in the Saturday parade and official opening and talked to Lakefield fair goers. Buchanan said the farmers weren't complaining about the rain. When one woman said she'd been praying for rain, Buchanan asked her if she took full responsibility for the drizzle.

"Absolutely," she replied, "though I'd hoped for more."

Farmers told Buchanan they were glad the Premier had not moved him to another ministry.

"It takes time to develop initiatives in a large organization like the ministry," said the MPP. "Major changes don't come easily. But things I've started are beginning to happen, to the advantage of many in the agricultural community, and among consumers."

Following the holiday weekend, it was "back to work" for Buchanan, this time in Simcoe County where he met with the County, Feder-

ation of Agriculture; holding a media conference to answer questions on government policies, and meeting with Holland Marsh farmers. Then the minister met with potato growers at a Potato Festival.

During the rest of the week, Buchanan was in Toronto to

field questions from tobacco growers, took part in a telephone conference call with the head of the Ontario Milk Marketing Board and met with MPP Pay Hayes on farm finance policy choices.

Returning to Hastings-Peterborough, Buchanan held

meetings with various groups on waste-management issues, problems with government agencies, child care development, conservation and railway lines being converted to trails. It was a typical week for the minister.

## Norwood Lions Club

*Cont'd from page 3A*  
they can continue to serve Norwood and district and enjoy similar participation in the various activities planned for the coming year.

# Composting could be solution for wasteful Canadians

Here's a quick quiz:  
Which country produces the most garbage per person per year? The U.S. or Britain? No, Canada?

Yes, Canada. According to Environment Canada, Canadians are among the most wasteful people on earth. We throw away, on average, nearly two kilograms (four pounds) of household garbage per person, per day. That's about three quarters of a ton each year.

Landfills were thought to be a solution, with roughly 85 per cent of our household garbage going to them. But existing landfills are quickly reaching their capacity and new ones are difficult to site.

Furthermore, when Dr. W. Rathje, an archaeologist with the University of Arizona, recently excavated some landfill sites, he discovered

30-year-old newspapers, food and other supposedly biodegradable materials in nearly original condition. So much for landfills.

Composting in municipal scale facilities is another solution with a much brighter future that is gaining converts in Canada, the United States and abroad.

Already the United States is processing between 3 and 5 per cent of its annual solid waste into compost. With the potential to reduce "household" garbage going to landfill an astonishing 60 per cent, composting is one method of recycling being examined by various municipal governments across Canada.

Composting is really degradation-only faster. In the composting process, compostable materials such as leaves, food and soiled paper are consumed by microbes and transformed into a soil-like substance called humus or compost. Waste-derived compost has several valuable uses-as a soil conditioner or mulch. As a mulch on top of the soil, compost helps to control weeds, and when tilled into the soil, it helps to retain moisture while allowing good drainage.

Furthermore, compost helps nutrients cling to soil particles,

reducing the need for chemical fertilizers. It also protects the roots of plants from temperature fluctuations in both winter and summer. Roots are able to penetrate, in both winter and summer. Roots are able to penetrate deeper, resulting in healthier plant growth.

With municipal scale composting, the first stage is either curbside collection and sorting being a compost container similar to the "blue box", or sorting after collection at a facility. All non-compostable materials-glass, plastic, metal and stone-are sent to be recycled or to a landfill; organic or compostable materials-grass, leaves food, soiled paper-to the municipal composter.

In Canada there are currently several composting facilities in the planning stage. To aid this growth, Procter and Gamble has allocated \$3.5 million towards the research and development of composting in Canada. This is part of a \$23 million global commitment by the company to help speed the widespread adoption of municipal solid waste composting.

The Region of Hamilton Wentworth in Ontario has received technical and

communications support as well as a grant from Procter and Gamble to help them in their plans for developing a solid waste composting facility.

The company is also actively working with the cities of Guelph, Portage la Prairie, Man.; Olds, Alberta; Halifax-Dartmouth, Nova Scotia; and the regions of Halton, Essex-Windsor and Peel in Ontario to help advance their composting programs.

THE NEXT PUBLIC ADVISORY COMMITTEE MEETING IS AUGUST 15TH  
SIDNEY TOWNSHIP HALL, WALLBRIDGE-LOYALIST ROAD, TUCKERS CORNERS 7:00 P.M.

THE NEXT STEERING COMMITTEE MEETING IS AUGUST 22ND.  
HUNGERFORD TOWNSHIP HALL, VICTORIA STREET, TWEED, 11:00 A.M.

EVERYONE WELCOME

Members of the local chapter will be attending and participating in a regional heart and stroke meeting in Belleville in September. This will allow for excellent brainstorming and idea exchanges so we can better contribute to our community. Watch the media for the outcome! (Maureen Dikyn, Public Relations Chairperson)

Deline in the drink

Reeve Tom Deline took his turn in the dunk tank last Monday, during the IGA and Canadian Tire holiday celebration. The owners of the two stores were also on hand to be dunked. The fire department and the ambulance were also on hand for tours during the day of festivities.

## Elzevir & Grimsthorpe Township Council

A regular meeting of the Elzevir and Grimsthorpe Township Council was held in the council chambers on July 4, 1991 at 7 p.m.

Reeve Jack Robinson presided over the meeting with Deputy-Reeve D. Brough and councillors G. Best, S. Roy and T. Stephens in attendance.

It was moved by D. Brough and seconded by G. Best that the minutes of the last meeting be adopted as circulated. Carried.

Discussion took place about the Development Charges Act. It was moved by T. Stephens and seconded by G. Best to lay over the information from N. Carney, County Planner, to a future meeting. Carried.

It was moved by S. Roy and seconded by D. Brough to invite D. Walsh to the next meeting of council to review all three plans for severance that he has considered. Carried.

It was moved by G. Best and seconded by Dr. Brough to purchase a new water pump instead of repairing the old one at a cost of \$450, when a new one would be about \$500.

Tenders were reviewed from four companies for a design for the Robinson Bridge. It was

moved by T. Stephens and seconded by S. Roy to hire Green Galloway if they can do it by the end of Dec. 91 or to hire Ainley and Assoc. if they could meet the year-end deadline. Carried.

It was moved by G. Best and seconded by T. Stephens to inform Peter Beare that his proposal for severances on Con. 4 Lot 2, would not conform to our zoning bylaw, as long as the gravel pit is there. Carried.

It was moved by D. Brough and seconded by G. Best to approve an application from Art Alexander for a severance on lot 18, Con. 4. Carried.

It was moved by G. Best and seconded by D. Brough to declare the week of Sept. 29 to Oct. 6 as "Waste Reduction

Week". Carried.

It was moved by G. Best and seconded by T. Stephens to receive and file the following resolution from the Tweed and Area Community Care. Carried.

It was moved by T. Stephens and seconded by S. Roy to receive and file the following correspondence for information:

1. M.O.T. sending \$51,300, July 5;

2. M.O.T. wants list of all equipment and housing;

3. Carswell "Legal Desk Book" wants Township fees;

4. Ministry of Environment - septic approval for Gary Moore;

5. Revenue Canada - new U.I. rates as of July 1 - increased from 2.25 per cent to 2.8 per

## Couple starts new bed and breakfast

The Foxcote Farm Bed and Breakfast just opened its doors last weekend. The farmhouse is on Highway 62 just south of Madoc. Chuck Mowat and Phyllis Canning said they started the bed and breakfast to regain the contact with adults and children like they had during their careers as a principal and teacher.

by Jeff Wilson

In an attempt to regain the close contact they both had in their jobs, retired couple Phyllis Canning and Chuck Mowat have started a bed and breakfast.

Mowat who is a retired principal of the Marmora senior public school, and Canning who is a retired teacher from a school in Tweed, said they both miss the close contact they experienced with adults and children, and feel this new venture will allow them to regain this contact.

"We're treating this as a retirement project," Mowat said.

Another reason for opening the bed and breakfast was because they both enjoyed their stays in similar establishment during their bike trip through England.

"We think we will be able to meet a lot of people through the bed and breakfast," Mowat said.

The couple received the sign, containing the name Foxcote Farm Bed and Breakfast, complete with a picture of

a fox in the middle, and were opened for business a week ago. Canning said the name Foxcote was chosen because all her ancestors came from a town named Foxcote in England, and because foxes can seen frequently on the farm property.

The couple have yet to have their first guest, but feel once word gets out of their bed and breakfast they will do good business.

The Foxcote Farm Bed and Breakfast offers three rooms for accommodation. As well as a bed and a breakfast the couple are offering the use of their sauna and shower room for those who can't make the big step into the bath tub.

The fee for the night is \$45 for a double and \$35 for a single; and

since they are running the bed and breakfast out of their home the couple does not have to charge provincial sales tax or the goods and services tax. Canning and Mowat have been renovating the farmhouse since April. The farmhouse presents a cozy atmosphere with a large fireplace in the kitchen and an old operable

Phyllis Canning and Chuck Mowat, owners of the Foxcote Farm Bed and Breakfast show off the renovated kitchen of their farmhouse. The

couple began renovating the farmhouse in April. There are three rooms available for guest accommodation.

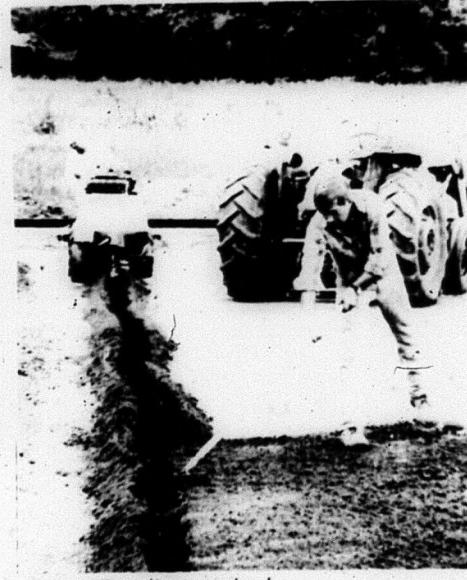

bread oven that invokes the smell of fresh baking bread. Much of the furniture in the home has been beautifully refinished by Mowat who said it's a "hobby" of his.

The couple intends to run the bed and breakfast as a seasonal business, opening in May and closing in October for the winter.

Since the bed and breakfast is on a farm the couple joined the Ontario Vacation Farms Association.

The bed and breakfast offers a really nice farm setting, with horses, and in the future Mowat said he would like to put in a pathway to a pond also located on the property.

The couple also intend to become members of the Federation of Bed and Breakfast Association.

### Lawn Bowling project

Dennis Oliver rakes the excess dirt out of the trenches for the lawn bowling greens, while Clarence Trickey works the trench digging machine last Sunday morning. Both the lawn bowling and swimming pool are being completed with volunteer help.

## The Review

VOL. 114 No. 34

Wednesday, August 21, 1991

Second Class Mail Registration No. 1016 .35t

### Construction to begin on Masonic Hall

Members of the Masonic Hall building committee along with the contractor, a village council representative and a special guest were on hand for the official sod turning to signal the beginning of construction of the Masonic Hall on Durham Street. The hall should be completed by the beginning of October. In

by Jeff Wilson

The first soil was turned on Friday to signal the beginning of construction on the new Masonic Hall.

The Hall will be going up on Durham Street, currently where the public parking lot exists.

A tender to contract the projected submitted by John Berry was selected over three other tenders sent in for the job.

Ed Stevenson said the one storey building with wheelchair access in the front should be completed by the beginning of October.

The hall will be used for Masonic Lodge major functions and will contain a lounge room, as well as a kitchen, Stevenson said.

### O.P.P. receive rash of boat motor theft reports

The Ontario Provincial Police (O.P.P.) is investigating a rash of boat motor thefts in the area.

The O.P.P. have reports of three separate incidents of five outboard motors being stolen

The Masonic Lodge order originated in England and has been in existence since the 1800's.

The Madoc order of the Masonic Lodge was instated in 1854 under the United Grand Lodge of England No. 496. The Lodge then changed to the 3rd Provincial Grand Lodge and operated under lodge no. 42. Currently the lodge operates under the Grand Lodge of Canada, Province of Ontario, lodge no. 48.

The Madoc order of the Masonic Lodge helped lay the cornerstone for the Anglican Church in Madoc which celebrated its 125th Anniversary. Currently the lodge has 131 members and operates out of the room above the Pro Hardware Store on Durham Street.

right off the boats.

It was reported that two outboard motors, both 9.9 horse power Johnson motors were stolen off boats docked across from the Two Loons

Cont'd to page 6

### Madoc going to pursue Community Futures grant

The Village of Madoc will attempt to submit an application for a grant from the Community Futures program along with Huntington and Madoc Townships, Reeve Tom Deline said.

After attending a information session on the Community Futures program in Deloro, last Tuesday, Deline said the village will attempt to get an agreement in principle with Huntington and Madoc Townships to combine in applying for a grant from the program. Deline said he feels the area

is a prime candidate for a grant because of the large number of people on social assistance and welfare.

The Community Futures program is a federally funded program, but is not run by the federal government.

The program was created to provide funding to create permanent employment in areas with one major industry that has closed and massive unemployment, and areas where many people are in need of social assistance and welfare.

### Public parking out of service temporarily

The public parking lot located on Durham Street temporarily will be closed until about October.

The Masonic Lodge who owns the property, and donated for public parking, is ready to build its new facility on the land.

Under an agreement with the village, the Masonic Lodge

has agreed to provide public parking once the construction of its new hall is complete, about the beginning of October.

Additional public parking for the downtown area is being provided for with the vacant lot on the south side of St. Lawrence St. W.

### Harvest Festival

Ryan finally gets the apple during the bobbing for apples competition at O'Hara Mill last Friday. Ryan needs a few minutes before getting his chompers on the stem of an apple. The children in attendance at the Harvest

Festival event, the last Friday Frontier event of the year, competed in events including, an obstacle course, bobbing for apples, and breaking pinatas.

## Remember When?

Photo provided by the Village of Madoc. The photo depicts the east side of the front street. It was taken by W.C. Sills in 1869 and presented to George West, the Reeve of the village at the time, as a gift.

## OBITUARY

ARTHUR  
WICKENS

"BERTRAM"

Arthur "Bertram" Wickens of Madoc passed away on August 10, at Belleville General Hospital after a week long illness. He was 76.

Mr. Wickens was the son of the late Samuel Wickens and Clara Calvert, and brother of Charles Wickens, sister-in-law Gladys Peterborough.

He is survived by his wife Isabelle Phillips, son Charles "Courtney" Wickens and daughter-in-law Shirley, RR5 Madoc; and son Arthur Rossell Wickens, RR5 Madoc.

Mr. Wickens was the loving grandfather of Wade, Troy and Susy Wickens, RR5 Madoc and Leann Queensborough.

Mr. Wickens was a retired farmer and attended White Lake Public and Madoc High Schools.

His funeral was held on August 13, 1991 at the McConnell Funeral Home at 3 p.m.

Rev. Paul Packman officiated the interment at White Lake Cemetery.

Pallbearers were Gordon Preston, Stan Stein, Doug Francis, Harold Francis, Leo Coverley, Don Blackbury,

A new Tourism and Business Guide proposed for 1992 could be beneficial to local merchants, Reeve Tom Deline said.

Reeve Deline, a member of the Hastings County Tourism and Economic Development Committee that is developing the guide, said the brochure was aimed at getting tourists into the county, and then it is up to local entrepreneurs to draw the visitors into their areas. Deline said the committee are aiming the guide towards the Toronto and Ottawa Valley markets. The guide will have a full-color glossy front cover with a \$100.00 circulation.

Hastings County has hired the marketing firm of Market High Advertising to design the guide. In a brochure sent by the company it states the goal of the guide will be to promote tourism in Hastings County and surrounding areas and to promote business within the county.

The guide will be designed to market all areas of the County from the Bay of Quinte to Algonquin Park. It also states the magazine will

by Jeff Wilson

It was a very emotional moment and tears welled up in their eyes as gold medals were put around the necks of the 12 Ontario Women's volleyball team that included Kari Layne Kramp.

Ontario won the National Volleyball Championships that were held in Montreal last weekend.

The final match between Ontario and Saskatchewan went the full five sets, and was "very tense" according to Kari.

Ontario lost the first game 15-6, but rebounded in the second to win 15-13. Ontario took a 2-1 set lead winning the third set 15-6, but Saskatchewan came back and won the fourth. In the fifth and final set Ontario won the championship

with a 15-10 set win.

Kari played in some of the final game, coming in mainly to serve and for defensive purposes. Assistant coach Nancy Watson said Kari performed well when she was in the match.

"She went in and did her job very, very well, to go in after an hour and half of play to go into a national gold medal game serve the ball the way she did, it was quite commendable," Watson said. She also said Kari's high school CHSS and coach Julie Jarvis should be given credit for producing such a talented player.

In other matches in the tournament Ontario defeated Alberta 3-0 (15-13, 15-6, 15-7), Newfoundland 3-0 (15-4, 15-2, 15-3); Quebec 3-1 (11-15, 15-8, 15-10); British Columbia in the semi-final 3-1 (12-15, 15-1, 15-8, 15-8).

Upon the commencement of the tournament Kari said she didn't really know how the team would fair because it had played many matches against the other provincial teams.

"We played in a tournament in Regina and Alberta and Saskatchewan both beat us, and that was just a couple of weeks before the nationals," Kari said.

Kari was to have attend a volleyball camp in Madawaska, but has decided to pass it up for a well deserved rest.

She now is looking forward to playing on the CHSS team and said she probably will club volleyball in Oshawa.

Kari Layne Kramp was a member of the Ontario Women's volleyball team that won the gold medal at the National Championships held in Montreal last weekend.

## Exchange student in Madoc until November

Sarah Ketcheson (left) and French exchange student Magali Schuffelhauer are just getting acquainted. Magali will be living with Sarah and her family, and also will be attending CHSS.

by Jeff Wilson

In her short stay in Madoc, exchange student Magali Schuffelhauer said size is the major difference between this area and where she calls home.

Magali is staying with Sarah Ketcheson, and will be attending Centre Hastings Secondary School in September until she leaves in November. The exchange program is run by the school board.

Magali lives in a suburb of the city of Toulouse in the south of France. Since she arrived last Tuesday Magali's first impressions have been favorable.

Magali has observed some major differences including

the fact that people in Madoc don't lock their doors at night, not many people smoke and the size of the area, she said the streets and village are much smaller than the suburb she comes from.

Another major difference is the language. Magali has learned British English in school, and our Canadianized brand is a bit different. Magali has started a list of the different Canadian words she hears during her stay.

Sarah said that during Magali's time here, she will try to help her learn the local culture and adjust to rural life. Sarah said the learning experience will include trips to her cottage on Moira Lake to the Ontario Provincial Police

## Building sustains damage after car accident

The Catholic Church's Parish Hall sustained considerable damage after being struck by a 1989 Plymouth driven by 82-year-old Erwin Brown of Northbrook. Brown and his passenger were uninjured in the crash, and Brown was able to drive the vehicle home.

The Catholic Church Parish Hall building sustained some major damage after a car struck it last Tuesday.

said. A number of bricks were pushed in, as well as with the window frame.

Brown said he was attempting to use the brake, but accidentally hit the accelerator.

The driver and passenger were uninjured in the accident, and Brown was able to drive the car home, the O.P.P. said

## Madoc take first game of series

Madoc pitcher Larry Griffin led his team to a 5-1 victory over Campbellford in the first game of the Mens' D section OASA play downs last Friday night. Griffin struck out ten, gave up two hits, walked two, and hit two batters.

by Jeff Wilson

Madoc pitcher Larry Griffin's star shone the brightest during the first game of the Mens' D section OASA play downs against Campbellford.

Griffin struck out 10, giving up just two hits, walking two, and hit two batters, leading his team to a 5-1 victory.

In the first inning Madoc scored three runs off a three run homer by Brian Willemsen, giving Griffin all the runs that he needed. On the defensive side, Madoc shortstop Chris Carson made two sparkling catches, diving for a bloop bunt in the first inning, and leaping high for a line drive in the middle innings.

Campbellford starting pitcher John Walsh had trouble finding the plate in the early innings, but was settle down after giving up the three run homer.

Madoc added another run in

the fourth inning to make the score 4-0.

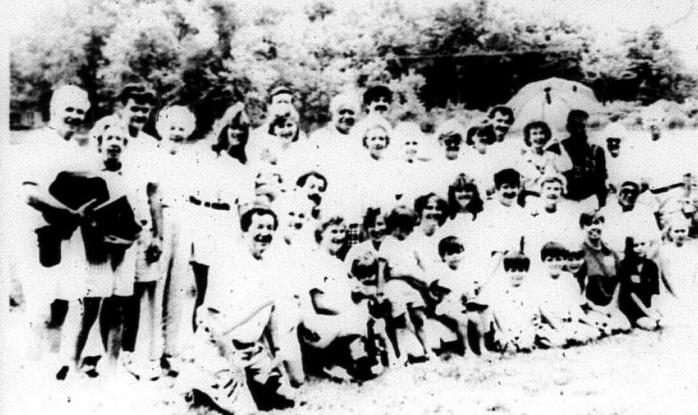

Campbellford saw its best opportunity to get back into the game slip away. Campbellford loaded the bases with no outs, then Griffin went to work striking out the side to end the threat.

In the sixth inning Madoc scored its fifth run on a perfectly executed squeeze play.

Campbellford finally got on the score board in the seventh inning scoring a runner from third on a single to right field.

The next game of the best two out of three series will be played in Campbellford on Wednesday, the if necessary third game also will be played in Campbellford.

The winner of the series will take on the winner of the Colbourne and Grafton series for a right to play in the provincial championships in Fenlon Falls.

## The Wellington Family Returns To Madoc

Members from the long standing Madoc families, the Wellingtons descended upon Madoc last weekend for a reunion. Members from the fifth, sixth, and seventh generations gathered at the Two Loons Lodge to share memories of the days gone by. The family are all descendants of John Wesley Wellington, born in Brighton, Ontario in 1824. He married Fanny McMullen in 1849. Their four surviving children were born in Stirling, Ontario (Eliza Wellington, 1853; Margaret Wellington, 1855; Charles Wellington, 1857; Steven Wellington, 1859). The family members are now scattered all over Canada and the United States.

Annie Richmond and the Old Tyme fiddlers fiddled away the day on Sunday, during the Q'Hara Mill Family Day. The event which ran

from 1-6 p.m. included games for children, a log sawing competition, a draw for a cord of wood, and a nail driving contest.

## Eldorado Mens' League Tournament

The Eagles won the overall championship in the season ending tournament of the Eldorado Mens' League. The team members are: front row (l-r) Robert Boyle, Bat Boy Mark Boyle,

Daryl Peters, Len Reid, Coach George Whyte, Bryan Moorcroft, Charlie Bird, George Wood, Back row (l-r) Gary Cassibo, John Burke, John Curtis, Steve Whyte, Joe Vezina, Bob Evans.

The Eldorado Mens' League held its season ending tournament over the weekend.

The Eagles took the overall championship title defeating the Tannery team 8-6.

In the consolation game the Tribe took on the Eldors. In

other games in the tournament: Tannery beat Coe Hill; Eldors defeated Panthers; Tribe beat Combos; Queensborough beat Cooper; Eagles defeated Madoc; Panthers beat Coe Hill; Panthers beat Queensborough; Tribe beat

Queensborough; Eagles beat Tribe; Tribe beat Panthers; Cooper beat Combos; Cooper defeated Madoc; Eldors beat Eldors; Tannery defeated Eldors.

## Tryouts begin for Wildcats

The Madoc Wildcats Junior "C" hockey team began its tryouts last Tuesday night. The tryouts will run until Sept. 19. The team's first exhibition will be at home on Sept. 10. Coach Harold Bailey said the three prospects trying out for goaltender look good.

## YOUR LOCAL REAL ESTATE AND CLASSIFIED MARKETPLACE

The Norwood Fair mystery begins...

### Norwood Fair office is now open Monday through Friday

By Isabel Stinson

**Norwood** - By the time you read this, the Norwood Fair office will be off and running again - Monday to Friday from 1 pm until 4 pm.

It's hard to believe that the Fair is less than two months away. Now we are getting down to the specifics that must be done in order to have the Fair run as smoothly as possible.

#### Prize lists available

The Prize Lists are available. Out of two months exhibitors will have received theirs by

now. All you Norwood Exhibitors may call at the office to pick up your copy. We have plenty available.

In fact, next week's paper will have a copy inserted thanks to Cembal Publications. We are hoping that we will gain many new exhibitors with all these extra prize lists in circulation.

**Jan Stewart**, Homecraft President, tells us that we now have ten young ladies competing for Fair Queen this year.

**Bill Freeman** of the Norwood Register started introducing us to the contestants a few weeks ago and we look forward to seeing their pictures as the

weeks progress. The Homecraft and School Fair Directors handle this special event very capably, right down to the last detail.

I have the pictures on display in the office. People have a great time looking at them, and guessing who the winner might be.

The Queen of the Fairs Competition at the C.N.E. is now history. Our Fair Queen, **Katie Quinlan**, represented us very capably and we hear that she had a great time, even though she was not a winner.

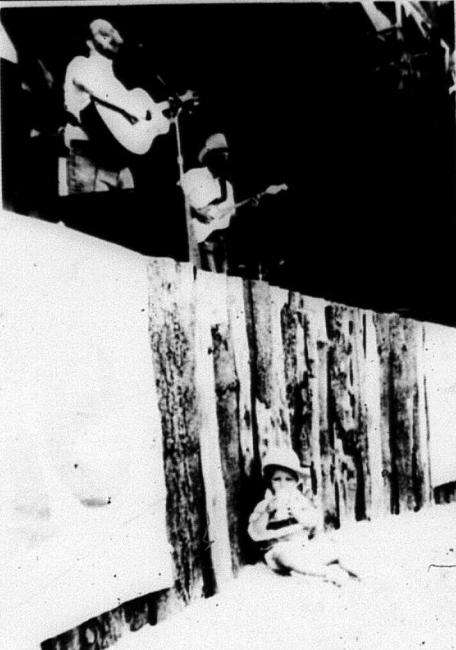

The Fair Queen - from Erin Fair -- is now the official Ontario Queen of the Fairs for 1991-92 and we wish her the best during her reign.

Concession space is pretty well filled up according to **Robert Stockdale** and **Don Richardson**. Many concessionaires come year after year but we do have a few new concessions selling unusual products.

At any rate, you will enjoy seeing what all of them have to offer.

Perhaps it is a little too early to get out the scotch tape, hammers and stapling guns but it certainly isn't too early to be thinking about your float for the parade. The theme of this year's Fair is "Let's

Cont'd to page 8A

This little guy had the best seat in the house at the Havelock County Jamboree held last weekend. The jamboree which ran Aug. 16-18 attracted approximately 3000 people per day, double that of last year's first running of the show. Organizer Jack Blakely said he was "extremely pleased" with the support of the village, township and surrounding communities and thanked everyone for coming out.

Smiling like princesses: Heather Richardson of Norwood (on the right) is the new Peterborough County Dairy Princess. The 16-year-old Norwood High School student beat out three other young ladies Thursday at the Peterborough Exhibition for the 1991-92 title and succeeds Julie Doornbos, who joins Heather in this photograph. Congratulations, Heather. Photo/Bill Freeman

### Norwood High students experience the poverty of third world in Jamaica

**Norwood** - Experiencing the rampant poverty in the White Wing district of Kingston, Jamaica is something Becky Quinn will never forget.

A student at Norwood District High School, Becky, three of her schoolmates - Mike Sherwin, Cynthia Grant and Pam Wilson - and NDHS English teacher Joanne Rough have recently returned from a three week stint with the Peterborough-based Jamaica Self Help program.

"I am a better person for having gone," Becky said in an interview. "I wish everyone could have the opportunity to do this."

Twenty-six people from around southern Ontario applied for spots on this summer's Jamaica Self-Help volunteer program in Kingston. The Norwood group became part of a 18-member contingent (12 adults and six

students) that participated in the intensive and "eye-opening" project.

The program allows people to experience the poverty of a third world country. Mike explained, and it certainly made us more aware of our own lifestyles and values.

In preparation for the trip and their volunteer work, the group were constantly warned about the living conditions, the cockroaches, the water quality.

Everything they told us -- the bugs and the dirt -- was true, Pam said.

At first, we were really shocked by the massive amount of poverty, Becky said. The first and second days were really surprising.

Becky worked in an orphanage that housed 62 youngsters suffering from a number of disabilities. She would help local "teachers" with morning

classes, and then take the children on outings in the afternoon.

### Norwood midgets reach ORSA finals

**Moorefield** - Norwood's high-flying Carter Concrete/Archer Trucking midgets will have a shot at an Ontario softball title after knocking off Moorefield with a 4-2 win Sunday evening.

Needing a win to stay alive, Moorefield managed to take game two of their series 7-1 but only after scoring six runs in the sixth inning. Earning MVP honours in this contest was Moorefield's fine southpaw pitcher Geoff McIsaac.

Pitching excellence marked

Cont'd to page 5A

**He was a man, take him for all, in all I shall not look upon his like again." Shakespeare**

Two lines that have, I'm sure, been repeated many times to fittingly describe those who have played the game of life to the fullest.

Gus MacFarlane - athlete, coach, athletic director, team manager, educator, entertainer, raconteur, poet, member of parliament and champion of war veterans.

Administrator, motivator, leader, a person devoted to service inspiring confidence and excellence in others. A man with a keen sense of fair play in all of his undertaking—a man of many skills and accomplishments.

As a member of parliament, he accomplished much. Perhaps his greatest hour came through writing and presentations, in persuading the government caucus and the Prime Minister of Canada to establish a Minister of State for Fitness and Amateur Sport and Ministry of State for Federal Provincial Relations.

As dean of men at McMaster University he developed on campus apartment style living and self government for residences. He was a pioneer in the development of national sports organizations, particularly as they related to basketball, football and hockey.

Gus MacFarlane had an early influence on the lives of many young people who later went on to become leaders in the communities—their chosen professions and vocations. His work with war veterans' allowance brought him into our lives.

The founder of this city's winter carnival—he offered his talents to minor football, to Rotary, to the Diabetes Associa-

# More Abled Than Disabled

## Angus (Gus) MacFarlane played life to fullest

tion, United Way, the YMCA, to his church and to the organization which he gave so very much of his time, on a daily basis—the Canadian Paraplegic Association, Prince Edward Island, as its founder and only president. The physically disabled of this province and those of the nation will remember the work of Gus MacFarlane and are the benefactors of his untiring skills.

Let us be glad that we have known him. The game of life is not decided in how long, but in how well it is played. Gus played it intensely, enthusiastically, with optimism, cheerfulness, good sportsmanship, courage and faith.

For the life he lived, the character he built, the influences for good that he set in motion speak now to every one who knew him. We should honor his memory by honoring those qualities we respected in him and those high purpose for church and state in whose behalf he lived and died.

This eulogy to Angus (Gus) MacFarlane was prepared by Paul H. Schurman, CPA, PEI Board Member.

### Copnick Scholarship

The Morton Copnick Scholarship for \$500 goes to the outstanding physically disabled student enrolled at the post secondary level in Canada. The Copnick is granted annual-

ly in memory of the late Morton Copnick through a fund established by his family in 1984.

For an application, write to the Morton Copnick Scholarship Selection Committee, the

Canadian Paraplegic Association, National Office, 1500 Don Mills Road, Suite 201, Don Mills, Ont., M3B 3KA.

Deadline for the application is Aug. 31, 1991. Applications will include transcripts from the last two years of study and supporting documents or letters of reference.

Thanks to Dorothy Nelson, Cochrane, Ontario for sharing this delicious recipe for Red Tomato Chow.

### Red Tomato Chow

4 quarts ripe tomatoes  
6 large onions  
2 heads celery  
3 red peppers  
3 green peppers

Chop all vegetables in large pieces. Add 1 cup salt, let stand overnight. Drain. Do not rinse.

In the morning:

Add 2 whole garlic  
2 lbs. white sugar  
2 tablespoons mixed pickling spice  
5 cups white vinegar

Mix all together, bring to boil until well cooked. Thicken with 4 tablespoons corn starch mixed with liquid from chow. Seal in jars. Store for 6 weeks before using.

## Norwood High students experience the poverty of third world in Jamaica

A lot of these kids couldn't do anything, she explained. They don't get a lot of stimulation in their lives.

The Jamaica Self-Help volunteers, in this case Becky, would be something of a godsend to these youngsters because she was able to take them on outings to the zoo, to the beach and to children's playgrounds.

Normally, she lamented, they don't get out of the orphanage.

Pam will never forget the old age home and its residents — where she spent her mornings — or the school that occupied her afternoons.

The old age home, with its nearly 70 "street people" residents, was run by five Catholic sisters and is "understaffed with underqualified" workers, Pam says.

It was depressing until I got to know three or four of the seniors, she said.

She was told at the start, by the sisters, that volunteers don't do the dirty work but Pam was undeterred and threw herself into the job.

She remembers the smell of the old age home.

"And it was supposed to be a clean place."

As unbelievable as it may seem, they had no mops, Pam says. They just don't use them.

Consequently, it took her 2 1/2 hours to "mop" with straw brushes and got the job done that others would not do.

Pam also recalls a "crazy woman who worked there and was always yelling at the walls."

She shoved wheel chairs into people's ankles, Pam said.

"No one takes care of them," Pam said. "They just have the basics."

In one instance, Pam brought the seniors lotion that they could use treat their "dry, flaky skin."

"They were finally able to sleep," she said. "It felt worthwhile after doing it."

Pam's schoolroom experiences, with kids from kindergarten to grade six, were just as unique.

The "teacher" couldn't read a Dr. Seuss book, she said.

She said that 70,000 kids graduate from grade nine and 40,000 of them will be illiterate.

They need more qualified teachers, Pam said.

At the moment, there are two Canadian teachers in this part of Kingston who have set up a library and are doing remedial work.

These Canadian teachers were scheduled to return to Canada this year but, ironically enough, because they are paid in Jamaican dollars they can't afford the flight back and will remain there another year.

The school was constantly being broken into and pencil sharpeners, chalk and pencils being stolen.

They would steal everything — bibs and aprons — and overturn desks, Pam said.

Describing the White Wing district as "volatile" and the "most feared and roughest in Kingston," they still agreed that the people were really nice, carefree and relaxed.

I didn't use my watch once, Pam said. You just get used to it — it's slow and laidback.

The conditions, which include constant patrols of camouflaged policemen carrying AK-47s, are often beyond their own control.

"The police are feared and hated," Mike said.

Certainly a highlight of the Jamaican stay, was the camping trip they helped run for 15 of the White Wing kids — kids who had never been outside of the city.

The trip took them right around the country.

They were the best-behaved kids, Pam said. They were in awe of everything.

"They were really, really good kids," Becky said. "They weren't expecting these things so they couldn't be disappointed."

All of their faces were pressed against the window of the van looking at the mountains, Becky remembers.

"Some had never seen the country."

They were up at 5 am every morning to go swimming, Mike said.

And when they got back to White Wing, the whole community came out to greet them.

Kids ran after the van, they remembered.

A whole bunch of kids are

going to sign up for next year's trip, Mike said.

Becky, Pam and Mike all liked working with the kids.

They don't have much and they don't complain, Becky said. And because they have little to play with they are more imaginative than kids here.

But they agreed that these youngsters grow up in a violent society.

The people there have a lot of problems and that (violence, gun use) is their outlet, Becky said, adding that there was always a fight outside the old age home.

We went to a dance our last night in Jamaica, she said, and there were two gun shots.

"Everyone dropped their bottles."

Mike said that you became so immersed in this "other side" of Jamaican life that you

**Survey shows accidents happen to 1 of every 5**

Did you get through 1987 without an accident?

If you did, you weren't quite as lucky as a lottery jackpot winner...but you were more fortunate than about 3.8 million of your fellow Canadians.

If you were among the one in every five people age 15 and over who had an accident in 1987, Statistics Canada figures show it is most likely that it happened either while you were in a motor vehicle, while playing a sport or while you were at work.

Over all, the figures from a special survey demonstrate that men had a higher accident rate than women. The highest probability of being an accident victim went to young men age 15 to 24 at 27 per cent compared with 19 per cent for a total adult population. Persons who drank alcohol on

a regular basis had higher rates than those who didn't for every type of accident except those which happened in the home.

A reportable accident was defined as one which interrupted normal activity for at least half a day or brought about expenses of at least \$200.

A full third of all such accidents were in the motor vehicle/traffic category. Accidents during sports or leisure activity were second at 23 per cent and work-related accidents next at 21 per cent. Mishaps in and around the home accounted for 13 per cent.

A review of accidental death in Canada for the years from 1926 to 1988 concluded that, in absolute terms, there was only a small net increase in accident mortality. But the relative importance of accidents as a cause of death increased through the years and the importance of other causes of death diminished, probably due in part to medical advances against diseases. Vital statistical figures show that 13,000 persons 15 and over died as a result of accidents in 1987.

The survey found a definite link between accidents and alcohol: As well, accident prevalence rose with the amount of alcohol normally consumed.

Only 27 per cent of non-drinkers had an accident in the three years ending in January

1988. This rate of accident involvement rose to 40 per cent for those who had one to six drinks a week, to 51 per cent for those who had seven to 13 drinks a week and to 56 per cent for those who had 14 or more drinks a week. A drink was defined as one bottle of beer, one small glass of wine or 1.5 ounces of liquor.

In accidents where injury

resulted, bruises were the most common injury by far occurring in 43 per cent of all cases. Cuts or scrapes occurred in 17 per cent of accidental injury cases and broken bones in 11 per cent.

Motor vehicle accidents were responsible for 37 per cent of all reported head injuries.

truck possibly a S10 Chev. no cap. The driver is described as a middle-aged white male, dark hair, no beard or moustache, wearing a straw hat and green pants. There was no indication of any criminal activity, just that the vehicle was operated suspiciously and we would like the public to be aware.

On August 11th police were called to the Riviera Inn, Front St. N. in Campbellford in regards to an assault complaint. Robert Little of 736 Hurontario St., Collingwood has been charged with assault on Sheila Stephens of RR 5, Campbellford. Stephens was treated at Campbellford Memorial Hospital and then transferred to a Peterborough Hospital. Stephens has now returned home.

On August 12th police investigated a break and enter at Campbellford Iron and Metal, 11 Nelson St., Campbellford. Stolen was a Stihl cut off saw valued at \$850.00.

On August 12th Ontario Hydro Security reported a theft of 500' of green coloured 3/4" rope, 200' of yellow rope and 300' of pilot line from the Hydro Construction north of Havelock. Value of items and loss of work hours is \$13,978. These items can be identified.

MacMillan Top Value on Saskatoon St., Campbellford

## MIDGETS GO FOR TITLE

*Cont'd from page 1A*

the deciding contest which Moorefield led 2-0 until Norwood came up with four, 4th inning runs.

Corey Hamilton got the Norwood start on the mound with Warren Gee coming in for some strong middle relief. Steve Montgomery strode to the mound Henke-like to close out the win.

Norwood will open their championship bid at home with game one expected this Friday night.

## Norwood High students

*Cont'd from page 3A*

"almost feel repulsed when you see a tourist."

"By three weeks this was your home."

Mike says he would definitely recommend the Jamaican Self-Help program to other people.

I wouldn't mind spending a year there, he said.

It was a learning experience Pam said. I didn't think I could do anything like this.

It is a once in a lifetime experience, Becky said. The first time is always eye-opening.

You are not really prepared, Pam adds. Not until you see it yourself.

complained of a \$1,200 fraud. Charged as a result of the complaint is Shirley Irene McGowan of 366 Aylmer St., Peterborough.

On August 14th a complaint was received that a sixteen year old girl from the Kingston area had been sexually assaulted at a cottage north of Campbellford. As a result of an investigation a twenty year old Warkworth area man has been charged with sexual assault.

On August 15th Catherine Lasher of St. Catharines arrived at her cottage on the Trent River outside of Hastings and found two boat gas tanks stolen from her boat house.

This past week the police investigated six non reportable accidents and one reportable accident. The one reportable accident has not been completed at press time.

The Campbellford detachment has acted on ninety two occurrences during August 11th to 17th from domestics to false alarms. There were two people charged with driving while over 80 milligrams of alcohol and three twelve hour suspensions.

The detachment would also like to bring to the attention of the people in this area to make use of Crime Stoppers. We need your assistance to help us solve crime in our area. 1-800-461-6555.

We want more for our customers. Greet them and help them get better service in a thorough, cooperative, stable team/company. We will teach you clear-cut procedures that consistently increase your income. It is not necessary that you have customer service or sales experience. If this sounds good, we want you. Your next step is to send a resume or letter detailing your specific experiences/background to:

## NEW & USED APPLIANCE SALE RUNNING TILL THANKSGIVING WEEKEND

Over the winter months we have been re-conditioning appliances. We have in stock 80 used refrigerators with new compressors installed. The compressor motor is the most important & expensive part on a refrigerator. We buy compressor motors 100 at a time directly from the manufacturer. This way we can rebuild refrigerators cheaper than our competition. We have just purchased 500 used fridges & stoves from a company in Toronto that we have been buying from the last 10 yrs. A lot of these refrigerators are apartment size & 2 door frost-free fridges with matching stoves. We also have 60 matching almond fridges & stove sets, ranging from 2 months old & up. We also have 100 freezers of all sizes & a big selection of washers & dryers, lawn mowers and air conditioners.

Smitty likes competition - it keeps one on their toes & prices in line. Smitty says check our competitors out & then come to Smitty's & browse thru our warehouses & see what we have to offer. You are not obligated to buy, just come & see for yourself our very clean & modern appliances. We take trade-ins. We have our own financing with no interest & same day delivery. If you are thinking of buying or selling your appliances, see Smitty just for an honest price.

**WE JUST DON'T SELL APPLIANCES, WE GUARANTEE THEM AFTER THE SALE.**

## CROWE VALLEY CONSERVATION AUTHORITY

NOTICE OF A SERIES OF PUBLIC OPEN HOUSES CONCERNING THE PROPOSED FILL, CONSTRUCTION AND ALTERATION TO WATERWAY REGULATIONS.

TAKE NOTICE that the Crowe Valley Conservation Authority will hold a series of public open houses to review the proposed fill, construction and alteration to waterway regulations.

These regulations, if passed, will monitor the placing of fill, the building of structures and the alteration of watercourses within defined areas of the Authority's jurisdiction.

The meetings will take place as follows:

August 26-30, 1991 (daily 1 p.m. - 3 p.m.)

August 28, 1991 (7 p.m. - 9 p.m.)

September 3-6, 1991 (daily 1 p.m. - 3 p.m.)

September 4, 1991 (7 p.m. - 9 p.m.)

C.V.C.A. (Marmora) Office

C.V.C.A. (Marmora) Office

Chandos Glen Alda Community Centre

Chandos Glen Alda Community Centre

The purpose of these public forums is to provide interested persons with the opportunity to review and comment on the C.V.C.A.'s proposal.

Copies of the document and related maps and literature will be made available for perusal at the meetings. As well, representatives from the C.V.C.A. will be present to address any questions and note all concerns.

ARE You on Mother's Allowance and want to go back to work or work? Call Cathy or Helen at Consulting Services of Bellville and District at 613-966-7413 to talk about your options.

ST. JDE NOVENA: May the Sacred Heart of Jesus be praised, adored and glorified throughout the whole world, now and forever. Sacred Heart of Jesus, pray for us. St. Jude, patron of hopeless cases, pray for us. Saint Therese, pray for us. Saint Faustina, pray for us. Nine days, nine hours, nine minutes, nine seconds. Say the nine times per day, for nine days. Promise to publish prayer on the 8th of September and your prayers will be answered. SLS.

Promise to publish prayer on the 8th of September and your prayers will be answered. SLS.

**Memorials**

DODD, WALTER (PAT) - In loving memory of a dear husband, father & grandfather who passed away Aug. 21, 1988.

Our lips cannot tell how much we miss him. Our hearts cannot tell what to say. God alone knows how we miss him. In a home that is lonesome today. Sadly missed by his wife Ruby & family.

GIFFORD, SAMUEL HARRISON - Passed away August 17, 1988. With many thanks for our wonderful years together.

He is greatly missed. With much love for him. Mary Gifford.

**Memorials**

KELLY - In loving memory of our dear uncle, William Kelly, who left us Aug. 24, 1990. There will always be a heartache And often a silent tear.

With many precious memories Of days when you were here.

Lovingly remembered by neice Joyce, Don and family.

KENNEDY - In loving memory of a dear father and grandfather, Murray, who passed away August 17, 1983.

He had no one his last farewell. He said goodbye.

His earthly gates were open. A loving voice said "come".

We often sit and think of you. The things you used to say.

We wonder why you had to die. Without a chance to say goodbye.

You will live with us in memory Until the end of time.

Lovingly remembered by Albert, Lucille, Jeanette & Lori.

NOBES, ARTHUR - In loving memory of a dear father and mother who passed away Aug. 17, 1983.

As I loved you so I miss you.

Loved, remembered, longed for always.

Treasured with a love since Always remembered by wife Marge.

NOBES, ARTHUR - In loving memory of a dear father and mother who passed away Aug. 17, 1983.

This day is remembered and kept.

No words are needed, we never forget.

For deep in our hearts we will always stay.

Loved and remembered every day.

Always remembered by wife Marge.

NOBES, ARTHUR - In loving memory of a dear father and mother who passed away Aug. 17, 1983.

As I loved you so I miss you.

Loved, remembered, longed for always.

**The Norwood Fair mystery begins**

Communicate," as I have mentioned before. You shouldn't have too much trouble coming up with ideas.

Think of the many ways we communicate with each other. We talk, write, read, sing or play instruments. Even a good argument is a form of communication.

The list is endless.

**Gordon Stevenson** (705-639-5627) is organizing a bus trip to the Plowing Match in Lambton County Thursday, September 19 for \$38 return. There are still plenty of seats available so give Gordon a call if you are interested.

This year we are going to have a mystery at the Fair. Each week, for the next eight weeks, I am going to give you a clue to the mystery. Everyone is eligible to enter this contest. We will have a prize for the first correct entry drawn.

We'll give you more specifics later; so find a sheet of paper and write down clue number 1: "I have a lot of pull at the Norwood Fair."

Next week, I will give you clue number 2!

A Pat Borders footnote — "Love makes the world go round. But then, so does a good swallow of chewing tobacco."

## Recreation Committee picks up the tab

Members of the recreation oversee the lines being painted on the newly paved Madoc Township parking lot last Saturday. In photo: from left to right, Roy Robinson, Ron Snyder, Linda Danford, Shirley McCoy, Reeve Harold Harris.

Madoc Township residents may notice that the township parking lot now has lighting and was just paved and lined.

But not to worry, it wasn't you who picked up the tab, it was the township recreation committee.

The recreation committee raised the approximately \$12,500 to complete the job through Bingos, craft shows and dances.

The new parking lot will now have designated wheelchair spaces, and the lines designating parking spots will organize parking more efficiently, which will help provide more parking.

## Fund Transfer offers big benefits

Not so long ago workers only received their wages in the form of cash, contained in little brown envelopes. Salaried employees got their pay in the form of a cheque.

All that has changed, now that we are deeply into the Electronic Funds Transfer (EFT) age. Many companies today pay their employees by transferring funds directly into their personal banking accounts via computers.

There are some tremendous benefits from usage of the EFT system, not the least of which is that it's more economic for the employers.

First of all, the system is prompter and more secure than receiving your pay by cheque, particularly if you used to receive your cheque by mail. By using EFT you are virtually certain that what's owed to you is in your bank account on a given date.

You're no longer vulnerable to the aggravations which can be caused by postal strikes. In fact, the introduction of EFT has notably weakened the bargaining position of the postal unions, particularly the

strike-prone "inside" postal workers. What EFT has done is perform a neat end-run around the postal system.

It also means your pay cheque is no longer exposed to the possibility of being lost in the mail, or stolen.

A major financial advantage to you from EFT is that the direct deposit into your banking account starts to earn interest income immediately, provided it's a savings account. This is a real boon if you can't get to your banking institution because of bad weather, illness or you're away on vacation. If you are paid by EFT you have the comfort of knowing your money is safely in your account, earning its keep.

Of course, there is a possibility that a computer breakdown may result in an electronic funds transfer not taking place. Computers are not infallible. That's because they are operated by human beings, who do make mistakes. But employer organizations report there are surprisingly few glitches in the EFT system.

This may be why the federal government recently became an enthusiastic user of EFT. It has started an advertising program to let Canadians - especially senior citizens - know about its Direct Deposit Service.

## Exchange student in Madoc

until November

*Cont'd from page 1*

Algonquin Park, as well as the Madoc Fair at the end of September, as well as a trip to Kingston to see the sites and the university.

Magali has visited Canada before. During her summer vacation last year and her family visited Ontario, Quebec and British Columbia during their five week stay.

While attending CHSS she will be taking four Grade 10 courses, probably including music, geography, history, and English.

Magali said school in Madoc probably will be interesting for a couple of days, and then it will be like going to any other school.

Sarah will make a trip to France in March and will live and go to school with Magali until June.

**O.P.P. receive  
rash of boat  
motor theft  
reports**

*Cont'd from page 1*  
Lodge on August 6. In a separate incident, Daryl Kramp reported a 9.9 Johnson motor was stolen off a rent-a-boat on Moira Lake on August 10, according to the O.P.P.

A 9.8 horse power Mercury motor was stolen in the Riverside Pines area in Marmora. Another motor, a Johnson four horse power was stolen off a boat in front of a cottage on Crowe Lake on August 10.

The O.P.P. would appreciate public help on anyone of the incidents.

## Tuesday Night Mixed Bowling

# Tudor and Cashel Townships Council Minutes

Minutes of Council for August 6, 1991

All members were present and the meeting was chaired by the Reeve.

Danny Phillips - Wanda Donaldson; To adopt the minutes of the previous meeting as circulated.

Glenn Cooney - Danny Phillips; To receive correspondence arising from previous minutes.

Wanda Donaldson - Danny Phillips; To approve payment of vouchers \$7 for roads and general government.

Wanda Donaldson - Raymond Henley; To enter into bylaws.

Glenn Cooney - Wanda Donaldson; To adopt bylaw 10-91 being a bylaw to refund taxes for 1990-91 and bylaw 11-91 being a bylaw to establish a committee of adjustment.

Raymond Henley - Danny Phillips; To resume general

business.

Glenn Cooney - Wanda Donaldson; To appoint Reeve Arnold Burkitt, Clerk Andrew McMurray and roads Superintendent Mr. Boyde Walker as members of the Committee of Adjustment and to set the fee for adjustment decision at \$100.00.

Raymond Henley - Glenn Cooney; To reply to the Ministry of Transportation that a further two kilometres of the Egan Creek forest access road to the Mephisto Lake boat launch road be included in their estimate of upgrading required for Ministry subsidy.

Danny Phillips - Wanda Donaldson; To review the submitted quotes for paving of the Weslemkoon Lake road portions presently under construction.

Raymond Henley - Glenn Cooney; To accept the bid from McFarland Construction Co. at the lowest bid of \$26,980.80.

Glenn Cooney - Wanda Donaldson; To reply to the Hastings County Planning Board regarding the proposed comprehensive zoning bylaw that council will not accept the present proposal without inclu-

sion of additional planned portions of the Township for Rural Residential use.

Wanda Donaldson - Danny Phillips; To adjourn to meet on Tuesday Sept. 10 at 7 p.m. or at the call of the Reeve.

## Queensborough Women's Institute

The Queensborough Branch of the Women's Institute held their August meeting at the United Church Sunday School room on Wednesday August 14 at 8 p.m. Mrs. Harold Tokley was the hostess.

Mrs. Mervil Lees, president opened the meeting with a poem "Not just then but here and now" followed by O'Canada the Ide and Collect.

The roll call "My favorite Vegetable dish" was answered by 13 members and one visitor. Minutes of the last meeting were read and approved and a short business discussion followed.

A thank you note was read, from Angus McNeil who had received our award for high standing student at Centre Hastings Secondary School on completing Grade 12. Cards were signed by the members and sent to Margaret Rollins

and Marguerite Thompson who are in hospital.

Goldie Holmes was in charge of the program on agriculture.

She began with a joke followed by the singing of "Old McDonald's farm" by the group. She read a selection "A Department Store stole of brassiers", followed by a reading by Reta Sequin "In the Garden".

Elaine Gordon then read a short selection, the group then sang "The Old Grey Mare".

Goldie and Bernice Clarke then put on a skit which was very amusing, "Information Please". Goldie then presented a contest on vegetables which was won by Jean Tokley.

Dorothy Lees read a few recipes on making jam, and the meeting closed with the Queen and lunch was served by the hostess and her assistants.

### Pat's Ice Cream holds Grand Opening

Reeve Tom Deline (left) helps Michelle Malloy, grand daughter of Owner Pat Miville cut the ribbon to officially open the new location of Pat's Ice Cream Parlour.

Though it was a little chilly for ice cream last Saturday morning, that didn't dampen the enthusiasm at the Grand Opening of Pat's Ice Cream Parlour.

Reeve Tom Deline, along with Owner Pat Miville and her grand daughter Michelle Malloy were on hand to cut the ribbon to officially open the new location.

Pat's Ice Cream Parlour previously was located on St. Lawrence St. E. for four years.

Miville said she took to looks at the present location before deciding she really wanted for her business.

She said the extra room will allow her to expand her party favors line. Miville also said she will be able to provide a helium balloon service that previously could only be obtained by travelling to Belleville.

The new location on Durham Street will also give the business more exposure, Miville said. She said a lot of people don't venture around the

corner onto St. Lawrence St. E. to see what stores are located there.

Pat's Ice Cream Parlour moved from the St. Lawrence St. E. location to the new location at the end of July, but the official grand opening wasn't held until just last Saturday.

The extra space at the new location has also allowed for the placement of picnic tables on the front veranda, which will allow patrons to soak up the rays in the summer, as they lick an ice cream cone.

The only disadvantage to the move was the loss of the front window mural that was synonymous with the business. Miville said she probably won't have it redone at the new store, she said she would rather decorate them at different times during the year.

Along with grand opening ceremony Pat Miville was named an honorary cadet for all her fundraising efforts. The ceremony was touching and brought a tear to Pat's eye.

When the school year begins in September Centre Hastings Secondary School will have an addition.

An elevator is being installed and will be complete by the end of October.

Dave Barnes, controller of plant for the Hastings County Board of Education said the construction will not disrupt the students or classes in the school.

The elevator will make the school handicap and wheelchair accessible, Barnes said.

The money to construct the elevator is being provided from a provincial grant, part of the government's anti-recession program.

Barnes said the main office is also undergoing minor renovations with a new coat of paint and repainting, and guidance department has requested two additional counselling offices.

### Campbellford entry ousted by Madoc

Campbellford started with a bang but finished rather lame as Madoc advanced to the next round of the Ontario Amateur Softball Association men's intermediate A playoffs.

Madoc, employing three-run salvos in both the second and fourth innings, took home an 8-4 decision at Campbellford's expense Saturday night at the Kinsmen Park before one of the biggest turnouts to witness a softball game in years.

Meeting in the best-of-three series, following Campbellford's 4-3 victory Wednesday night here, Campbellford jumped into the driver's seat quickly, as its first three batters-Ryan Dewey, Derek Potts and Brian Seymour-got on base via an error, walk and single. Hits by Larry Chrysler and Jeff Baker helped with the production before Tim Blake flew out to end the inning.

Gray got one run back for Madoc in the bottom of the first inning with a home run and Madoc pulled in front in the second with a three-run outburst of their own. The visitors then added one more run in the third frame before

exploding to put the outcome out of reach with three more runs in the fourth inning with Brian Williams supplying a key double.

Pitcher Larry Griffin checked the Campbellford side on five hits, fanning six along the way.

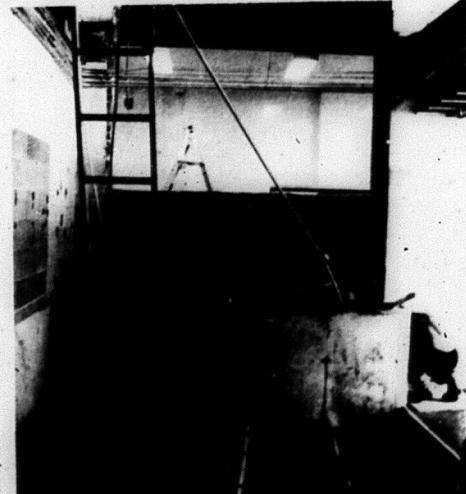

In the second game, also at Kinsmen Park, Brian Seymour delivered a key home run to give Campbellford a 3-1 lead in the seventh inning and the home squad held on to post a 4-3 decision in eight innings.

John Walsh was the winning pitcher although pitching to only two batters in the eighth inning after starter Jim Burkitt, who turned in a strong performance, had to leave the game after being hit with a line drive.

Madoc will now meet either Colborne or Grafton in the next round of the intermediate-D series.

Campbellford team officials expressed their appreciation for the great fan support it received in the Saturday night game. "It definitely showed there's still a lot of interest in softball in this area," noted player Trevor Tinney.

### CHSS undergoes renovations

Construction has begun on the new elevator, it will be completed by the end of October.

## Hastings County Plowing Match survives wet and muddy first day

Kay Fawcett of Wolfe Island guides his team of horses Tracy (left) and Tony down the field

during the Hastings County Plowing Match last week.

## Remember When?

Queensboro Methodist Church — 1872-1921

This 1918 Hart Parr tractor owned by Jim Thompson was on display and also was took part in the Hastings County Plowing Match held last Wednesday and Thursday in Tweed.

When the Hastings County Plowing Match opened it didn't look to promising with a steady rainfall turning roads and paths into mud bogs.

For the first day most visitors of the Tweed site took shelter in the tent city, but the plowing class participants went on as scheduled, including the Queen of Furrow contestants, Andrea Gunning, 15, of RR1 Tweed, Connie Harder, 16, of RR5 Trenton, Kim Groves, 16, of RR4 Sterling and Penny Maybelle 23, of Frankford. The tent city housed a collection of displays including Womens' Institute crafts, household services and consumer information booths.

The tent city also included displays featuring local food processing operations like the Eldorado Cheese Factory, the Tweed Centennial year, Hungerford Township, as well as historical displays on Ontario Hydro and the Ontario Ministry of Agriculture and Food.

The results of the plowing match were: in the V.I.P Class Hastings County Warden Larry Hartin won the class, with Reeve Owen Ketcheson taking second.

In the Mounted Field Class Clare Dracup of Stirling took top spot. In the General Purpose Class Donald Conklin of Prescott took first place. In the General Purpose Class for men 16-21, Jeff Carlisle of Stirling was first overall. Jeff Carlisle also was named Junior Plowman.

In the Mens' General Purpose Class Ross Carlisle of Stirling took top spot.

In the Junior Semi-Mounted Class Brian Dracup was first overall. In the Senior Semi-Mounted Class Clare Dracup of Stirling took first place.

In the Antique Class Harden Drake of Tweed took top spot, while Rodney Rankin of Stirling finished second and Walter Hamilton of Belleville

finished third.

In the Horse Drawing Class Don Miller of Tweed took first place, Terry Linton placed second and Joseph Moore took third.

In the Mounted Field Class Clare Dracup finished first, while Rodney Rankin took second.

In the Womens' Class Judy Kay Lang of Belleville took first, and Deanna Foley the reigning Queen of the Furrow of Madoc finished second.

The top junior plowman also went to Brian Dracup, while the Senior honor went to Joseph Moore.

## Eldorado Womens' Fun League

The Cooper team took the overall title at the Eldorado Womens' Fun League tournament over the weekend. The team defeated the Cougars in the final. The team members are: Flinda Hord, Bonnie Rollins, Michelle Devolin, Patti Douglas, Cindy Rollins, Denise Twidy, Sandra Trotter, Kelly Smith, Shirlene Chapman, Carolyn Francis, Sue Rollins, Darlene Rollins.

The Cheddarettes won the consolation final against Remington, during the Eldorado Womens' Fun League tournament last weekend. The team members are: front row (l-r) Gord Michener assistant coach, Susan Shaw, Barb Brooks, Debbie Michener, Lorie Bird, back row (l-r), Debbie Shaw, Karen Wilmen, Michelle Trumble, Kathy Tadman, Lois Aggett, Lori Harvey, absent: Coach Cyril Shaw.

## Hockey registration scheduled in early September

The Madoc Minor Hockey Association will hold its registration on Saturday, Sept. 7.

The registration day will run from 10 a.m. to 2 p.m. at the Madoc Arena.

The association is offering a \$10 discount to players registering on or before Sept. 7. The association will have

teams from the tyke division up to the juvenile division. For those players not making the rep teams, a power skating or house league hockey program will be set up.

Volunteers interested in coaching, managing or training position can contact Convenor John Stone at 473-2386 or 473-5490.

The coach of the Campbellford team, Jeff Baker (left), restrains one of the Cayuga players attempting to join his teammates in the brawling during a wild 10-minute episode.

## EXPLOSIVE SOFTBALL!

It's everyone for himself as Campbellford Beaver Lodge and Cayuga players rush into a bench-clearing fracas Sunday in Campbellford during an ORSA junior playoff game. Three members from each team were ejected after peace was finally restored. Cayuga won 6-1 to sweep the best-of-three series two straight. photo/Rolly Ethier

## Action non-stop at Quinte Ex on Labor Day weekend

You take the Imperial Hell Drivers, which calls itself the wildest show on wheels, mix it with 10 heats of harness racing and add an entertaining children's day program.

The combination offers just a partial schedule of non-stop action to be served up at the fifth annual Quinte Exhibition in Belleville Labor Day weekend Aug. 29th to Sept. 2nd.

Action gets under way Thursday when the Exhibition once again hosts the region's largest 4-H Calf Club Show. The show features dairy and beef 4-H members from Hastings, Northumberland, Prince Edward, Lennox-Addington and Frontenac counties.

A fair is never complete without horses and the Quinte Ex has plenty. The Light and Heavy horse drawing matches Thursday night, the Hunter Jumper Show, the Pleasure Horse and Gymkhana

shows on Saturday; plus the Pony of Americas show on Sunday along with the draft and commercial ponies, Hackney and Arabian horse shows.

Of course, there'll be the usual livestock shows, home-crafts, family building activities and the horse pull has \$2,000 in prize money at stake with the light class under 3,300 pounds and the heavy class over 3,300 pounds. The Demolition Derby goes Sunday, Sept. 1st at 7 p.m.

The Hell Drivers led by Paul Riddell, a veteran of 39 years as a stunt man, and an all-star cast, including his daughter Christine. Lead driver is Tony Thibodeau from Windsor, Maine.

Other drivers include a hometown Belleville father-and-son team; Doug and Ryan Hennessy. This is Doug's 31st year in the show.

## Winners declared at 4-H activities

By Bernard Leahy

The Campbellford Fair, once again, hosted a broad range of 4-H activities. The Campbellford Dairy Calf Club held its Achievement Day Show Saturday, Aug. 10th.

Frank Grills placed first in the Senior and Intermediate Showmanship Class with Cindy Nelson placing second. In the Junior Showmanship class, Jeff Petherick was the winner and Richelle Heffernan placed second.

Frank Grills went on to become the Champion Showman with Cindy Nelson being the Reserve Champion Showman. Richelle Heffernan had the first place junior heifer with Cindy Nelson placing second. The Senior Heifer Class was a win for Rob Heffernan with Garry Parr's heifer in second place. In the class for summer and junior yearlings, Erin Petherick had the first place entry with Ben Godden placing second.

Grand Champion Dairy Heifer honors went to Richelle Heffernan with Cindy Nelson's heifer being Reserve Champion. The Campbellford Calf Club is to be congratulated and Ken Heffernan deserves much credit for preparing this large club for their show.

Saturday afternoon featured the Northumberland Sheep Club Achievement Day as well as an Inter-Club 4-H Calf Show. In the Sheep Showmanship Class, Dave Gardner of Centretown was Champion with the Reserve Champion honors going to Christa McVety of Grafton. Christine Wilson of Grafton had the Champion Lamb while Christa McVety had the Reserve Champion. Congratulations to all the 4-H Sheep Club members. A special thanks to club leader, Jack Boeve of Grafton, for doing a great job with the members.

In the Junior Beef Showmanship Class, Jamie Wood of Warkworth placed first with Amy Clark of Rosenheath placing second. Stephen McMaster of Trenton and Duff Young of Castleton placed first and second, respectively, in the Senior and Intermediate Show-

*Cont'd to page 5A*

Frances Daly, or Fran as she is affectionately called, by everyone who knows her, is the senior secretary for David Hatton, the District Administrator of the Canadian National Institute for the Blind.

She was honoured August 21 by her friends, colleagues, and clients of CNIB for completing 25 years of dedicated service.

Fran is really the backbone of the CNIB Peterborough office. She has served as secretary to three different district administrators, all of whom were legally blind.

It is usually Fran's friendly voice which first greets you when you phone or drop into the office.

Even though CNIB now has almost 1,000 clients who are served out of the Peterborough office and many volunteers located in the four counties, Fran still has maintained the personal touch, calling clients and volunteers by name.

It was Fran who was instrumental in organizing the first Christmas party for the blind children who lived in Peterborough County in December 1966.

We have had a children's party every year since then, and it has grown every year. It now includes blind children from Northumberland, Victoria and Haliburton Counties as well as Peterborough County.

Last year, over 100 children

## More Abled Than Disabled by Barbara Bruce-Pearl

### Still going strong after 25 years at CNIB

attended the Christmas party. Money for gifts was provided by the Lions Clubs throughout the district with which Fran personally shopped for a special gift for each child who attended.

The current District administrator, David Hatton, says, "Fran is my right hand. I just couldn't operate without her. She has been working with CNIB so long that she knows the clients better than I do. She is a real dedicated person. We are certainly lucky to have her."

CNIB is a member agency of the United Way.

#### Collagen injection

Incontinence, or involuntary

loss of urine, is a major health and economic concern for many Canadians, particularly women. It's estimated that \$1 billion is spent each year on incontinence products in Canada.

While surgery is one of the most common treatments for incontinence, a procedure at Sunnybrook Health Science Centre offers a non-surgical alternative.

The procedure, which takes 15 to 45 minutes, involves injecting sterile, liquified bovine collagen into the lining of the urinary passage or bladder neck. The implant helps support and strengthen the urinary passage, improving urinary control.

The procedure is done under

local anaesthetic, usually in an out-patient clinic. Patients return home the same day and can resume normal activities immediately.

Findings from a recent study on collagen implants were presented by Sender Herschorn, chief of Sunnybrook's urology division, at a recent Urodynamic Society symposium in Toronto.

The study involved 28 women and 10 men with an average age of 57. The female group had a 96 percent success rate with the collagen implant therapy. Results for men were less consistent.

"Two of the 10 men are cured, four are improved and four have not improved," said Dr. Herschorn.

Incontinence is caused by bladder irritability and/or deficient urethral support structures and muscles. It is often seen in women after labor and delivery, and after menopause. Three out of four individuals experiencing incontinence are female.

Anyone wishing more information about collagen implants should contact their family doctor or urologist.

(A contribution from "Jean on the farm")

Faced with two large boxes of fast-ripening tomatoes, Jean remembered this recipe from her mother, who created interesting ways to make full use of everything she grew.

#### Tomato Marmalade

4 lbs. ripe tomatoes  
4 oranges  
1 lemon  
4 lbs. granulated sugar

Skin tomatoes and chop fine. Cut oranges and lemon finely, leaving rind on. Place in large saucepan; bring to boil, stirring frequently. Boil 5 minutes; add sugar and continue boiling until it jells, approximately 1 hour. Pour into hot sterilized jars. Seal. Makes 6 pints. Serve with meats or on toast.

#### Ripe Tomato Ketchup

8 quarts tomatoes, cut up  
3 quarts apples, quartered  
6 large onions, finely chopped

Boil together until soft, then put through a ricer or sieve.

Add:  
4 cups sugar  
3 1/2 cups white vinegar  
2 1/2 cup mixed pickling spice tied in a bag  
3 or 4 tablespoons salt

Jean puts all this in her roasting pan and boils it for several hours, stirring often as it thickens. She pours it into sterilized bottles.

Chow, see you next week.

### YWCA open house in Peterborough

The YWCA of Peterborough, Victoria and Haliburton—an organization meeting the needs of women and their families in the region for 100 years—is holding an open house and registration night Wednesday, Sept. 4th from 7 to 8:30 p.m.

The "Enrich Your Lifestyle" open house is designed to introduce the full 1991 schedule that includes: babysitting certification, self-defence for women, reflexology, do-it-yourself Halloween makeup, children's jujitsu, fitness leadership certification, massage for pain management and women's dinner talks.

You are invited to attend and meet the YWCA's topnotch instructors. A 10 per cent discount on program fees (15 per cent for members) is being offered if a person registers at the open house.

Stoppers want  
info on house  
break-in

The Quinte Crime Stoppers, in co-operation with the Madoc detachment of the Ontario Provincial Police, are asking for the assistance of the public in solving a break, enter and theft which occurred at a residence on the Ninth Concession of Hungerford Township.

Police report that sometime between July 20th and August 3rd, some unknown persons entered the home by removing the glass from the north kitchen window. Once inside the thieves helped themselves to silverware, cups and saucers, a remote control unit for a satellite dish and many other items. Total value of the stolen goods is approximately \$1,200.

Anyone knowing the identity of persons responsible for this crime, or know where any of the stolen property can be located, are asked to call Crime Stoppers at 969-8477 or 1-800-267-4357.

## At Lindsay Exhibition

### Whisperin' Bill Anderson

Once again the Lindsay Central Exhibition has struck it rich in talent to headline its country show at the grandstand Thursday, Sept. 19th.

Grand Ole Opry star Whisperin' Bill Anderson and his renowned Po' Folks Band will be on the stage, starting at 8 p.m.

Anderson, born in South Carolina in 1937, was trained initially as a journalist and obtained a B.A. at the University of Georgia, singing and working as a disc jockey in his spare time.

His career as a professional singer suddenly blossomed in 1958 after country superstar Ray Price heard Anderson singing his self-penned song, City Lights, on a car and immediately recorded it for himself.

Soon after, the name Bill Anderson, the songwriter, was known all over Nashville, and other artists, including Hank Locklin, Porter Wagoner, Jim Reeves, Faron Young and Jean Shepard were making hits of his songs.

While Anderson's own recordings on Decca were doing well, his real breakthrough as a recording artist came in 1962 with a crossover hit, Mama Sang A Song, soon to be followed by Still, Eight by Ten, I Get The Fever, For Loving You, Wild Weekend.

### Victorian Punch and Judy show highlight at village

Over 40 pioneer crafts, a Victorian Punch and Judy Show and a corn roast will be featured Sunday, Sept. 1st at Lang Pioneer Village on the banks of the Indian River, north of Keene.

Skilled crafts people dressed in the costume of the last century will demonstrate over 40 pioneer crafts throughout this living museum village. Visitors may watch and chat with the tinsmith while he creates tinware similar to that used by the pioneers or the canoe maker as he makes a cedar strip canoe.

Others to see include the water diviner watching the water, the potter at his wheel

The Corner Of My life and Quits, just to name a few.

Perhaps the biggest hit recorded by Anderson was Po' Folks, now also the name of his band, and a chain of popular restaurants. Anderson has also appeared in countless (including his own show syndicated in 126 U.S. cities), several movies, and was the first to ever broadcast a live British country concert over U.S. airwaves via satellite.

Bill Anderson's meteoric rise to the top of the country music world was suddenly struck by a 1984 tragedy. That's when a teenage driver, reportedly so drunk he later couldn't recall taking the wheel of a pickup truck, slammed into a barely moving car driven by Anderson's wife Becky. Though Becky clung to life, she suffered severe head injuries.

Anderson's autobiography, "Whisperin' Bill", describes the agonizing months he had to face, trying to be both a father and mother to his six-year-old son who suffered a ruptured disc in his back that left him in pain for two years; souring business investments, an older daughter with cancer, and the emotional court battle over the auto accident.

Somehow Bill and Becky Anderson came through all the turmoil and were able to continue their lives, bringing

and the miller operating the stone flour mill. The pioneer chairmaker, blacksmith, paper maker and printer will all be busy with their crafts. Other demonstrations will include chair caning, honey separating, blackpowder, rope making, rug hooking, embroidery, wool crafts, butter churning, carpentry, musical instrument making, children's crafts, samplers, natural dyeing, broom making, fencing and many more.

Newly-picked corn will be boiled in the great iron pot and freshly baked bread and scones and other pioneer food and drink will be served at the Keene Hotel.

### headlines grandstand show

this former "number one" country artist back to stardom.

In July of 1991, Anderson celebrated 30 years as a member of the Grand Ole

Opry, which is televised around the world on The Nashville Network.

Exhibition manager John Lester said, "This is a very

special year in the music business for Bill Anderson, and we're proud to have him as part of the fair's country show."

## Winners declared at 4-H activities

Stephen McMaster with the  
man's Showmanship Class. Stephen went  
on to be Champion Beef Show  
man with Duff winning the  
Reserve Champion honors.

The Yearling Beef Heifer  
Class was also a win for  
Stephen McMaster with Denise  
McMaster of Trenton placing  
second. In the Junior Beef  
Heifer Class, Joseph Deshane  
of Peterborough County placed  
first; with Peter Deshane of  
Peterborough County placing  
second. The Grand Champion  
Beef Heifer honors went to

Stephen McMaster with the  
Reserve Champion placing by  
Joseph Deshane.

In the dairy ring, Jeff  
Petherick of Campbellford and  
Richelle Heffernan placed first  
and second, respectively, in the  
Junior Showmanship Class. The Intermediate Show-  
manship Class was won by Cindy  
Nelson with second place going to  
Frank Grills.

Joanne Crowley of Norwood  
and Scott Honey of Warkworth  
placed first and second,  
respectively, in the Senior  
Showmanship Class. Joanne  
and Scott went on to become  
the Champion and Reserve  
Champion Dairy Showmen.

Scott continued his winning  
ways with a first place in the  
Junior Yearling Class with  
Karen Kerr of Campbellford  
taking second. Heather Honey  
of Warkworth placed first in  
the Summer Yearling Class  
with Erin Petherick placing  
runner-up.

In the Senior Heifer Class  
Michelle McFadden of Hastings  
placed first with David  
Crowley of Norwood placing  
second. The Junior Heifer  
Class was a win for Ryan  
Colquhoun of Warkworth with  
Richelle Heffernan placing  
second. The Grand Champion  
Heifer honors went to Michelle  
McFadden.

## OPP Report

### Young offenders charged in fire

A vacant two storey residence owned by Gary Wayne Newman of Norham was destroyed by fire on August 19th. The Campbellford O.P.P. were called in to investigate. Charges against several young offenders resulted.

On August 18th William Soder of RR 5, Campbellford reported his mailbox damaged. It appears that a blue/maroon vehicle struck it off and left the scene.

Also on August 18th, David Nauls of Warkworth reported his Honda motorcycle stolen from a shed beside his residence. It was later recovered south of Warkworth with minor damage. Two young offenders have been charged with theft.

On August 19th John Skinkle of RR 1, Warkworth reported that his ultra light aircraft had been removed from his hanger in an apparent attempt to steal it. A portable aircraft radio had been stolen from a friend's aircraft parked nearby and an attempt had been made to steal a pick-up truck parked on the property.

On August 19th a construction company working on the Hydro dam at lock 10 reported the theft of 300' of steel cable valued at approximately \$1000.

A farm tractor stolen from Doug Lanford Equipment Ltd. in Hastings was recovered hidden among some trees on a side road in Percy Twp. when a nearby farmer observed it there on the 19th of August and called the police.

On August 20th the O.P.P. received a call that two young men were walking along County Rd. 50 and damaging some mail boxes. They were scared off by local residents before the police arrived and ran off into the woods.

On August 24th Tom Sander son of Hamilton reported his boat trailer stolen from the area of the monument in Tent River where it had been parked. It was described as a Gator, grey in colour.

Also on the 24th, a vehicle owned by Chris Townsend of Norwood was being operated in the back fields when it caught on fire and received

extensive damage. The fire department put the fire out. There was no insurance on the vehicle.

On the 18th of August a minor accident occurred on a private cottage road off County Rd. 48 northeast of Havelock between a 1991 Plymouth van operated by Kurt Bernt of Oakville and a Honda ATV operated by Gordon Beckford of RR 1, Havelock. There were no injuries.

On August 22nd Christopher Martin of Toronto was operating a 1989 Ford on the Fish Hatchery Rd. northeast of Havelock in the Belmont Twp. when rounding a curve the left front tire blew causing the vehicle to skid off the road and roll over into the ditch causing extensive damage to the vehicle. Martin was not injured.

On August 22nd Jesse Witmer of RR 1, Warkworth was operating a 1980 Ford Fairmont southbound on Hwy. 30 north of Campbellford when a passenger in the vehicle, 18 year old Mark Kelly, fell out of the passenger window onto the highway. Kelly was removed to the Campbellford hospital by ambulance. The injuries were not serious. The accident is still under investigation.

On August 22nd at 6:10 p.m. Gwen Quackenbush, of Napanee was westbound on a sideroad in Belmont Twp. off County Rd. 46 when a deer crossed in front of her. The vehicle struck and killed the deer. Damage to the vehicle was moderate.

On the 25th of August William O'Connor of Trent River was westbound on Trent River Rd. when he failed to stop at the stop sign and slid across the intersection where he struck a parked pick-up owned by Lee Gill also of Trent River. The O'Connor vehicle, a 1989 Olds, received damage to the front end. Charges have been laid. The Lee vehicle was a 1968 Chevy p/k.

During this time period the O.P.P. laid six impaired driving charges and issued a further three 12-hour suspensions. There were also three liquor charges laid.

Campbellford swimmers capture regional title

Piling up 161 collective points, Campbellford swimmers swept to victory Saturday, August 17th in the Regional Swim Meet sponsored by the Recreation Department at the Campbellford pool.

Cobourg was runner-up with 149 points in the team competition, followed by Napanee with 131 points and Whitchurch with 37 points.

Leading the way for Campbellford were four individual champions: Don Skinkle in the open 'boys' division; Sean Connor, 15-17 boys; Anita Runions, 15 to 17 girls; and Krista Moore, eight and under girls.

The other individual winners were: Deanne DeMottos, Cobourg, nine to 10 girls; Reganne Beelen, Napanee, 11-12 girls; Krista Marshall, Cobourg, 13-14 girls; Vaughan Elder, Cobourg, eight and under boys; Scott Berry, Whitchurch, 9-10 boys; Kyle Elder, Cobourg, 11-12 boys; Ron Mahoney, Napanee, 13-14 boys.

1-613-339-2350

### NEW & USED APPLIANCE SALE RUNNING TILL THANKSGIVING WEEKEND

Over the winter months we have been re-conditioning appliances. We have in stock 80 used refrigerators with new compressors installed. The compressor motor is the most important & expensive part on a refrigerator. We buy compressor motors 100 at a time directly from the manufacturer. This way we can rebuild refrigerators cheaper than our competition. We have just purchased 500 used fridges & stoves from a company in Toronto that we have been buying from the last 10 yrs. A lot of these refrigerators are apartment size & 2 door frost-free fridges with matching stoves. We also have 60 matching almond fridges & stove sets, ranging from 2 months old & up. We also have 100 freezers of all sizes & a big selection of washers & dryers, lawn mowers and air conditioners.

Smitty likes competition - it keeps them one on their toes & prices in line. Smitty says check our competitors out & then come to Smitty's & browse thru our warehouses & see what we have to offer. You are not obligated to buy, just come & see for yourself our very clean & modern appliances. We take trade-ins. We have our own financing with no interest & same day delivery. If you are thinking of buying or selling your appliances, see Smitty just for an honest price.

**WE JUST DON'T SELL APPLIANCES, WE GUARANTEE THEM AFTER THE SALE.**

**Memorials**

CASSIDY - In loving memory of a dear friend, Annie, who passed away August 27, 1988. Pass her suffering, pass her pain, God to help for tears are vain. She who suffered is at rest. Gone to Heaven with the best. Sadly missed & lovingly remembered by your friend Lisa.

HAMILTON, ALEX - In loving memory of Alex, who passed away August 29, 1982. With a smile for all and a heart of gold. The very best that the world could hold. Never forgotten. These are the memories he left behind. Time cannot stop the heartache, Nor can it stop the tears. Or take away the memories. Of the one we loved so dear. Lovingly remembered by his wife Ruby and all their family.

**CROWE VALLEY CONSERVATION AUTHORITY**

NOTICE OF A SERIES OF PUBLIC OPEN HOUSES CONCERNING THE PROPOSED FILL, CONSTRUCTION AND ALTERATION TO WATERWAY REGULATIONS.

TAKE NOTICE THAT the Crowe Valley Conservation Authority will hold a series of public open houses to review the proposed fill, construction and alteration to waterway regulations.

These regulations, if passed, will monitor the placing of fill, the building of structures and the alteration of watercourses within defined areas of the Authority's jurisdiction.

The meetings will take place as follows:

August 26-30, 1991 (daily 1 p.m. - 3 p.m.)

August 28, 1991 (7 p.m. - 9 p.m.)

September 3, 1991 (daily 1 p.m. - 3 p.m.)

September 4, 1991 (7 p.m. - 9 p.m.)

The purpose of these public forums is to provide interested persons with the opportunity to review and comment on the C.V.C.A.'s proposal.

Copies of the document and related maps and literature will be made available for perusal at the meetings. As well, representatives from the C.V.C.A. will be present to address any questions and note all concerns.

ANYONE Interested in ceramic classes on Sept. 17, 1991, please call E&G Ceramics at 613-472-2663 for more information.

## Councils will welcome disentanglement: MPP

Municipal leaders in this riding will welcome the Ontario government's move to disentangle provincial and municipal responsibilities, says local MPP Elmer Buchanan.

"As I've met with our reeves and councils, they've asked for changes that would clearly identify what programs are the responsibility of each level of government," Buchanan said in a press release.

The Hastings-Peterborough MPP says paying for welfare services will be one area of discussion, adding that this includes what is to be paid for out-of-property taxes.

At present, some programs are cost shared while others are paid 100 per cent by one or the other level of government. There are 15 ministries and more than 100 conditional grant programs. This makes

the relationship between the two levels of government unwieldy and frustrating, says David Cooke, Municipal Affairs Minister.

"The goal is not to spend more money," Buchanan said. "The exchange of services and responsibilities is to have a neutral impact on costs at the local and provincial levels."

Buchanan expects area reeves and councils will continue their discussions with him about which level of government should be responsible for designing, delivering and paying for the programs and services people want and need.

The steering committee for the project will consist of six municipal representatives (appointed by AMO) and six cabinet ministers.

## Pharmaceutical research spending up 10 per cent

The federal Conservatives say a bill they passed in 1987 has helped increase research and development in the Canadian pharmaceutical industry.

Research investment made in 1990 totalled \$281.3 million, representing 8.8 per cent of sales, which is a 15 per cent jump over last year, says a press release from M.P. Bill Vankoughnet.

These conclusive results prove the pharmaceutical industry has already kept its promise to increase R and D investment in return for increased patent protection in the Patent Act (Bill C-22). Vankoughnet says, "Bill C-22 was passed in 1987 despite the opposition of the Liberals and the NDP who stalled passage of the legislation for over one

year in both the House of Commons and the Senate."

Vankoughnet was basing his comments off a study recently released by the Patented Medicine Prices Review Board, a government research body.

The Pharmaceutical Manufacturers Association of Canada (PMAC) have publicly committed to increasing their R and D spending up to eight per cent of sales by the end of 1991.

They are well on their way to achieving their 10 per cent objective set for 1991.

The release notes that investment in the area of basic research increased 31 per cent in 1990.

"This should silence critics of the Act who claimed that the

Canadian pharmaceutical industry is merely an outlet for clinical testing," Vankoughnet says.

He also believes the act is having a beneficial impact on consumer prices for drugs and health care system costs.

"In the period before Bill C-22, drug prices were climbing annually by at least two per cent more than inflation," Vankoughnet says. "Since passage of that Act, drug price increases have closely matched inflation."

The report confirms that the Board is efficient in providing consumer protection against unfair drug price increases, he says.

"This is good news for Canada," he concludes.

## Hospice holds logo competition

The Heart of Hastings Hospice recently conducted a contest to create a new logo for the hospice.

Requests were sent out to the Centre Hastings schools asking that the students of the area take up this challenge, with the winner of the competition to receive a \$50 prize.

The provisional board of the hospice received numerous entries which made its choice difficult, so it decided to award two supplementary prizes.

The winning logo was created by Amy Stewart of

RR3 Tweed, who was also a student at Centre Hastings Secondary School (CHSS). Her logo depicted two people within a house reaching toward each other offering comfort and help. Hospice Chairman Rev. George Beals said a sign will be created with the new logo, and it also will be used on stationery and letterhead.

Two supplementary prizes also were handed out to Amanda Francis, a Grade 6 student at Madoc Public School, and Jean Horton, a Grade 11 student at CHSS. For her

artwork filled with a rainbow and declaring "Help the Hospice". Amanda received a \$10 prize. Jean received a \$25 prize for her logo entry.

# Swimathon raises money for pool

Alex Horton completed 135 bobs, during the swimathon last Saturday, held to raise money for the swimming pool.

Though the water was a little chilly last Saturday, it didn't deter members of swimming lesson classes from raising some money for the swimming pool.

Members from all the different swimming levels took turns either swimming as many laps or bobs as possible in an allotted time. For example, the Yellow to Orange levels had to bob as long as they could; Red to Maroon levels had to do widths for 15 minutes; Blue to Green had to do lengths for 20 minutes; Grey to White had to do lengths for 30 minutes and Bronze had to do lengths for 45 minutes.

The swimathon participants attempted to get as many pledges as they could. People sponsoring the participants pledged an amount for each bob or lap of the pool completed.

Celebrities of the community also took part in the swimathon.

## O.P.P. REPORT

Madoc Detachment of the Ontario Provincial Police are currently investigating several break and enter offences which have occurred in the Village of Tweed and surrounding township area.

On the weekend between Friday, Aug. 16, and Sunday the Hastings County Roads Department building located at RR2 Tweed was broken into.

The suspect in this occurrence stole tools valued at \$1,600 and committed acts of vandalism amounting to damages of approximately \$3,000.

During the same weekend between Aug. 16-18 a break and enter occurred at the Ministry

of Transportation Offices located on Highway 37 south of Tweed. A quantity of tools were stolen and acts of vandalism by the suspect resulted in approximately \$2,000 damage to Ministry property. Two male persons are thought to be responsible for this occurrence.

On Aug. 19 a person or persons attempted to gain entry to the CO-OP store located on Highway 37 north of Tweed. The suspect or suspects smashed a window to the store to gain entry but did not enter the business.

On Aug. 16 at approximately 12:45 a.m. the Brewer's Retail

in the Village of Tweed was broken into. The suspect or suspects stole various types of beer as well as promotional items such as t-shirts and baseball caps. The loss sustained was approximately \$590.

On Aug. 12 a break and enter occurred at Kelly's Restaurant on Highway 37 north of Tweed. Person or persons entered the restaurant and stole \$100 cash.

Madoc OPP seek the assistance of the community to help investigate and solve this series of occurrences. Any person having information regarding these incidents is asked to contact Madoc OPP.

## Madoc Hockey School success after just two years

Participants at the Madoc Hockey School held last week were put through their paces by local star Steve Bancroft.

Steve Bancroft hopes next year's Madoc Hockey School will continue to get "bigger and better".

Bancroft, a future Toronto Maple Leaf, said he was approached by organizers a couple of years ago and asked to help out with the school.

"I wanted to put back something into the community," he said. "I played Junior 'C' hockey here and that's where the money is going."

For the week long hockey school Bancroft said he stresses fundamentals, for the first session he concentrated on power skating, the second day the players practices stick handling and the third session concentrated on shooting. For the fourth day all the skills were combined and the players then showcased the skills in a scrimmage game on the last day.

Bancroft said he enjoys teaching younger players the fundamentals of hockey.

"It's important with kids this age not to get too technical, you have to teach them to have fun," he said. "When I see the smiles on their faces it makes my day."

## OBITUARIES

### EMMA ELIZABETH MOORE

Emma Elizabeth Moore passed away suddenly on Aug. 10, 1991 at the Palmer House in Bancroft. She was 95.

Mrs. Moore was the loving daughter of Philip and Philomena Embury and sister to Edna Francis, Flat Rock, Michigan; Albert Embury, Belleville; the late Mabel Wellman.

She was the dear wife of the late Herbert Moore, and loving mother of Edna Johnston, Peterborough; Gerald Moore, Coe Hill; Marian Morton, Springbrook.

Mrs. Moore was the loving grandmother of eight grandchildren and dear great grandmother to nine great grandchildren.

Mrs. Moore was the organist and secretary of Zion United Church The Ridge and was also the treasurer of the U.C.W. She was also a member of the Eastern Star.

Her funeral was held on August 12, 1991 at 2 p.m. at the Zion United Church The Ridge. The interment was officiated by Rev. John and Evelyn Locke at The Ridge Cemetery.

Pallbearers were grandchildren Blaine Sharpe, Steve Sharpe, Tom Sharpe, John Sharpe, Layne Moore, and

nephew Mark Moore.

### EMMA REBECCA CARMAN

Emma Rebecca Carman passed away on Aug. 20, 1991 at the Fabeth Nursing Home in Marmora. She was 92.

Mrs. Carman was born in Millbridge; and the daughter of the late Robert and Sarah McCann; and sister of Charles Percy, Robert, Mervyn, Maxwell, and John McCann; and Evelyn, Ethel and Elizabeth, all deceased.

She was the loving wife of the late Charles Carman, and the dear mother of Lavayne Carman, Madoc; Audrey Kelly, Foxboro; Elwood Carman, RR4 Stirling.

Mrs. Carman was the loving grandmother of nine grandchildren, and the dear great grandmother of five great grandchildren.

She was a member of the Eastern Star and the White Shrine.

Her funeral was held on Aug. 22 at McConnell Funeral Home at 1 p.m. The interment was officiated by Rev. Paul Parkin at the Eldorado Cemetery.

Pallbearers were grandsons Laurie and David Moynes-Stewart and Bill Carman; nephew Max McCann and Eugene Pigden.

## O'Hara Mill Family Day very successful

During the O'Hara Mill Family Day co-ordinator Tom Stephens said he polled a lot of people, and the consensus was the event was very enjoyable for the whole family.

The family day event included music by Annie Richmond and the Old Tyme Fiddlers. In the log sawing event participants were asked to guess the number of feet the boards would be cut in. Kather-

ine Murphy of Picton was the closest with a guess of 342 ft. The actual length was 344.5 ft.

In the nail driving competition Mr. Neeham won in the men's division, while Joan McTaggart won the women's division.

A draw also was held for a cord of wood and was won by Doug Mumford of Thomasburg.

Steve Bancroft observes some of the participants of the Madoc Hockey School held all last week at the Madoc Arena.
